

CENTRAL HIGH SCHOOL

SPORTS REVIEW

First Annual Field and Track Carnival

***Central High School
Athletic Association***

**Central Stadium
May 10, 1919**

"Eat a Plate of Ice Cream Every Day"

Ice Cream is both a dessert and a food. It pleases the palate and builds up the body.

The Dairy Council Says:

"A quart of Ice Cream has the same Food Value as a whole pound and a half of round steak, or a dozen and a half eggs, or four pounds of potatoes, or a whole gallon of oysters. So at the lowest cost Ice Cream gives you one of the highest food values known."

"Ice Cream is so easily digested that it is often the first food allowed to convalescents. Mothers now realize that Ice Cream is fine for growing children."

"Eat a Plate of Ice Cream Every Day"

We cannot make all the Ice Cream so we just make the best.

"Eat a Plate of Ice Cream Every Day"

but be sure it is

 **Carry's**
Delicious Ice Cream

made in the newest and most sanitary plant in Washington, and served exclusively in the Lunch room of the Central High School.

TEAM DISCOUNTS

First Annual Field and Track Carnival of the CENTRAL HIGH SCHOOL ATHLETIC ASSOCIATION

WASHINGTON, D. C.

Saturday, May 10, 1919

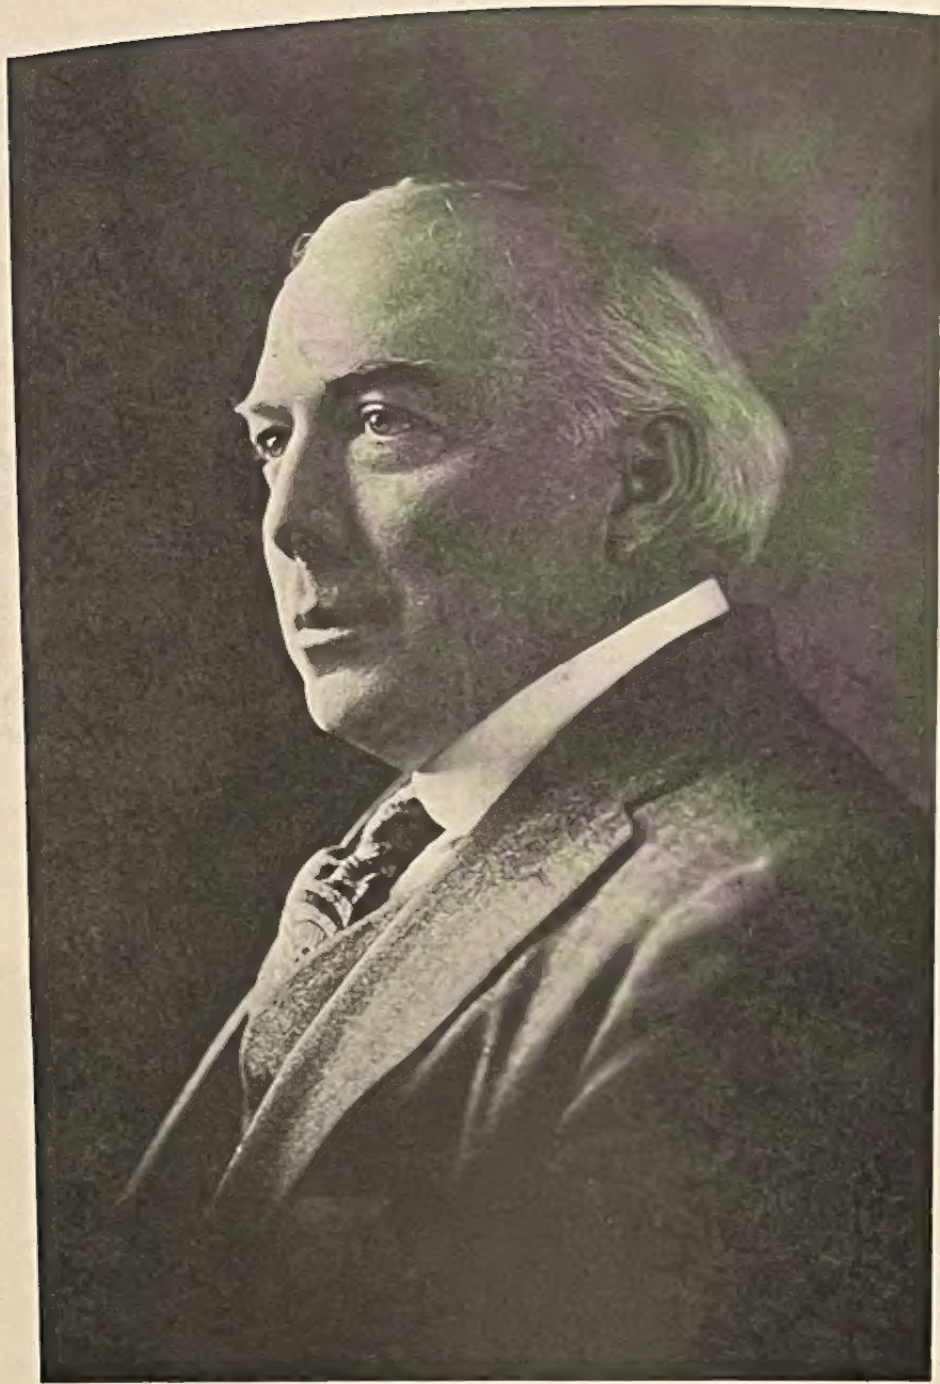

The Prize Cups

The Parker-Bridget Company and the Alumni Association are donors of the two handsome team trophy cups that will be awarded the team scoring the greatest number of points in open events of today's meet.

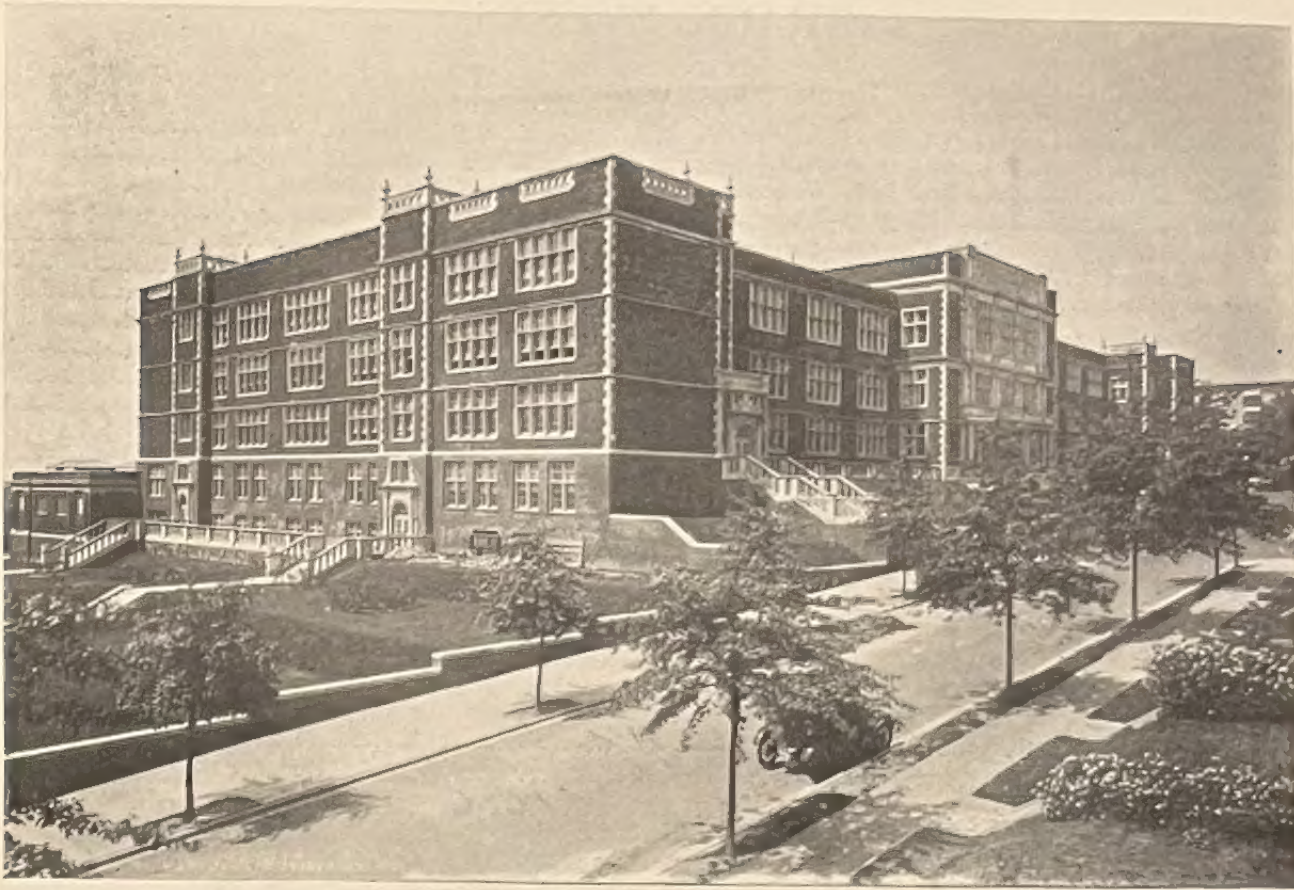

The Parker-Bridget trophy, known as the "Pep Cup" will be the permanent possession of the first team to win point honors three years (not

necessarily consecutively). The trophy, twenty-four inches high, is of sterling silver and lined with pure gold. It was donated through the efforts of Mr. Sherwood C. Stokley, advertising manager of the firm, and a former star athlete at Syracuse University.

The Alumni Cup will be awarded the leading point scorer today. The name of the winning team will be engraved on both cups.

Mr. Emory M. Wilson, Principal

Officials

Honorary Referee.....	E. M. Wilson, Central High
Referee.....	George Orton, Pennsylvania
Starter.....	Norman Oyster, Pennsylvania
Clerk of the Course.....	Joseph E. O'Toole

We Want You to Know That We Carry

'Pep' High School Clothes For High School Boys

"PEP" Clothes are for boys who are about to go into their first long trouser suits.

They are made by men who have studied the appearance and actions of hundreds of boys, and make a chap look his best during his "being-looked-over" period.

They are not men's clothes "cut down," but are clothes built for boys from 15 to 20 years, and take into account your tastes as well as your figure. "Pep" High School Clothes carry out your spirit--the High School dash and swing--that governs all your moves.

POINT SCORING AND PRIZES

Scoring for point supremacy will be governed by first, second, and third place in the finals of each event: five points for first, three points for second, and one point for third place. Relays will not figure in the scoring.

To the team winning the greatest number of points the trophy known as the "Emory Wilson Memorial Cup" will be awarded outright. The winner will also get a leg on the handsome silver "Pep" Cup, donated by the Parker Bridget Company of this city. Central High of Washington won a leg on this trophy last year.

To the runner up in the struggle for point supremacy a handsome silver trophy offered by the Central High Alumni Association will be awarded.

Still another silver trophy which like the Emory Wilson Memorial Trophy was donated by the 'C' Club will be awarded the individual scoring the greatest number of points. Central High will only be eligible for competition for the "Pep Cup."

In addition, gold, silver, and bronze medals will be awarded for first, second and third places, respectively, in all open events. All awards will be made at the conclusion of the regular program.

EMORY M. WILSON

Our late beloved Teacher and Friend to whom this Program is dedicated.

The "C" Club, What Is It?

TO PERPETUATE THE MEMORY OF EMORY M. WILSON THROUGH THE DEVELOPMENT OF CENTRAL SPIRIT WHICH HAS EVER STOOD FOR CLEAN SPORTSMANSHIP AND TO WHICH CENTRAL'S SUCCESS IN ATHLETICS HAS ALWAYS BEEN ATTRIBUTABLE!

This is the aim of THE "C" CLUB organized through the efforts of alumni who won the coveted insignia in the field of sports during their days at Central. Today's field and track carnival marks the debut of the club as A FACTOR IN CENTRAL ATHLETIC LIFE. In years to come the CENTRAL MEET will be THE OUTSTANDING FEATURE OF THE SPRING TRACK SEASON.

Each succeeding year will find a program more pretentious and more attractive, adding to CENTRAL'S ALREADY GLORIOUS ATHLETIC HISTORY. Outsiders readily acknowledge the fact that the NATION'S CAPITAL IS THE LOGICAL POINT FOR NATIONAL SCHOLASTIC CHAMPIONSHIPS.

THE "C" CLUB PURPORTS TO MAKE CENTRAL'S ANNUAL OFFERING JUST SUCH AN EVENT, NOT ONLY OF LOCAL BUT ALSO OF NATIONAL CONSEQUENCE!

The Third Annual Interscholastic Field and Track Games, 1921

THE MEET:

Fulfilling the vision of the late Emery M. Wilson, former principal of Central High School, it is the purpose to make this annual meet the National Scholastic Championships of the East, and through this means, to bring to Washington each year the leading preparatory schools and high schools; reflecting at the same time, something of Central Spirit and Central Traditions which have played such an important part in the making of many citizens not only of Washington but of the entire United States.

THE "C" CLUB:

It was with this thought in mind that Mr. Robert Maurer, present principal of Central, turned the management of these games over to the "C" Club last year and this year. This organization was the result of a spontaneous desire on the part of some of the boys who have won athletic insignia in the days gone by, and who have banded together with the idea of promoting good sportsmanship, clean athletics and a better appreciation of Central Spirit to those with whom Central teams come in contact on the field and track. During its existence, this Club has helped to equip more than double the number of candidates in the various sports, has financed out-of-town trips for several teams, has personally entertained the members of visiting teams, has and will continue to present to the members of championship teams gold insignia as a reward of success, and has provided general financial aid along those lines which could not be provided for from the school athletic fund. It is the general belief that the "C" Club has already done much to place Central in the top rank among preparatory schools of the country, and has reflected to the general public, those ideals of clean, moral, and sportsmanlike endeavor for which Central Spirit and Central teams have stood for over forty years.

THE GAMES COMMITTEE:

In the organization of the "C" Club, one man is responsible for the supervision of each separate sport, appointing his own committees and making arrangements as he thinks best. Thus, the Field and Track Games have come under the supervision of Angus MacDonald, '07; chairman; Allen C. Minnix, '11, vice chairman; and the following committee: E. D. Rheem, '09; S. E. Kent, '05; Al Hendley, '07; Joe Marr, '12; J. P. Yoder, '07; H. T. Morsell, '10; W. S. Boteler, '11; J. S. Spriggman, G. H. White and Ross White.

THE SCORING:

Points will be awarded to those schools securing a first, second or third in the finals of each event; five points for first place, three points for second place and one point for third place. Relay races will not count in the scoring.

THE TROPHIES:

To the team winning the greatest number of points will be awarded outright, the "Emery Wilson Memorial Cup" donated by the "C" Club. The team scoring the greatest number of points will also receive a "win" on the "Pep" cup donated by Parker, Bridget Co., which must be won three times in order to be retained outright. Central and Staunton Military Academy each have one win on this cup. The team scoring the second largest number of points will be awarded outright the cup donated by the Alumni Association of Central High School. The individuals scoring the greatest number of points in the track events and field events respectively, will be awarded gold watches. Gold medals will be given to the individual winners in the finals of each event, silver medals to those finishing second, and bronze medals to those finishing third. Central High School will be in competition for a "win" on the "Pep" cup only.

The Fourth Annual Interscholastic Field and Track Games, 1922

THE MEET :

Fulfilling the vision of the late Emery M. Wilson, former principal of Central High School, it is the purpose to make this annual meet the National Scholastic Championships of the East, and through this means, to bring to Washington each year the leading preparatory schools and high schools; reflecting at the same time, something of Central Spirit and Central Traditions which have played such an important part in the making of many citizens not only of Washington but of the entire United States.

THE "C" CLUB:

It was with this thought in mind that Mr. Robert Maurer, present principal of Central, turned the management of these games over to the "C" Club the last few years. This organization was the result of a spontaneous desire on the part of some of the boys who have won athletic insignia in the days gone by, and who have banded together with the idea of promoting good sportsmanship, clean athletics and a better appreciation of Central Spirit to those with whom Central teams come in contact on the field and track. During its existence, this Club has helped to equip more than double the number of candidates in the various sports, has financed out-of-town trips for several teams, has personally entertained the members of visiting teams, has and will continue to present to the members of championship teams gold insignia as a reward of success, and has provided general financial aid along those lines which could not be provided for from the school athletic fund. It is the general belief that the "C" Club has already done much to place Central in the top rank among preparatory schools of the country, and has reflected to the general public, those ideals of clean, moral, and sportsmanlike endeavor for which Central Spirit and Central teams have stood for over forty years.

THE GAMES COMMITTEE :

In the organization of the "C" Club, one man is responsible for the supervision of each separate sport, appointing his own committees and making arrangements as he thinks best. Thus, the Field and Track Games have come under the supervision of Angus MacDonald, '07; chairman; Allen C. Minnix, '11, vice chairman; and the following committee: E. D. Rheem, '09; S. E. Kent, '05; Joe Marr, '12; J. P. Yoder, '07; H. T. Morsell, '10; W. S. Boteler, '11; J. H. Sprigman, '87; Bob Newby, and the boys of the Undergraduate "C" Club.

THE SCORING :

Points will be awarded to those schools securing a first, second or third in the finals of each event; five points for first place, three points for second place and one point for third place. Relay races will not count in the scoring.

THE TROPHIES :

To the team winning the greatest number of points will be awarded outright, the "Emery Wilson Memorial Cup" donated by the "C" Club. The team scoring the greatest number of points will also receive a "win" on the "Pep" cup donated by Parker, Bridget Co., which must be won three times in order to be retained outright. Central has one win and Staunton Military Academy two wins in this cup. The individuals scoring the greatest number of points in the track events and field events respectively, will be awarded gold watches. Gold medals will be given to the individual winners in the finals of each event, silver medals to those finishing second, and bronze medals to those finishing third. Central High School will be in competition for a "win" on the "Pep" cup only.

Domestic fuels are numerous. Wood, peat, lignite, soft and hard coal, are in common use.

The wonderful advance made by the By-Product Coke Oven Industry in recent years has created a Perfect Domestic Fuel known as "BY-PRODUCT COKE."

In the cities where this coke is available the consumption is rapidly increasing for domestic purposes.

The Fifth Annual Interscholastic Field and Track Games, 1923

THE MEET:

Fulfilling the vision of the late Emery M. Wilson, former principal of Central High School, it is the purpose to make this annual meet the National Scholastic Championships of the East, and through this means, to bring to Washington each year the leading preparatory schools and high schools; reflecting at the same time, something of Central Spirit and Central Traditions which have played such an important part in the making of many citizens not only of Washington but of the entire United States.

THE "C" CLUB:

It was with this thought in mind that Mr. Robert Maurer, present principal of Central, turned the management of these games over to the "C" Club the last few years. This organization was the result of a spontaneous desire on the part of some of the boys who have won athletic insignia in the days gone by, and who have banded together with the idea of promoting good sportsmanship, clean athletics and a better appreciation of Central Spirit to those with whom Central teams come in contact on the field and track. During its existence, this Club has helped to equip more than double the number of candidates in the various sports, has financed out-of-town trips for several teams, has personally entertained the members of visiting teams, has and will continue to present to the members of championship teams gold insignia as a reward of success, and has provided general financial aid along those lines which could not be provided for from the school athletic fund. It is the general belief that the "C" Club has already done much to place Central in the top rank among preparatory schools of the country, and has reflected to the general public, those ideals of clean, moral, and sportsmanlike endeavor for which Central Spirit and Central teams have stood for over forty years.

THE GAMES COMMITTEE:

In the organization of the "C" Club, one man is responsible for the supervision of each separate sport, appointing his own committees and making arrangements as he thinks best. Thus, the Field and Track Games have come under the supervision of Angus MacDonald, '07, chairman; Allen C. Minnix, '11, vice chairman; and the following committee: E. D. Rheem, '09; S. E. Kent, '05; Joe Marr, '12; H. T. Morsell, '10; W. S. Boteler, '11; J. H. Sprigman, '87; Bob Newby, and the boys of the Undergraduate "C" Club.

THE SCORING:

Points will be awarded to those schools securing a first, second or third in the finals of each event; five points for first place, three points for second place and one point for third place. Relay races will not count in the scoring.

THE TROPHIES:

To the team winning the greatest number of points will be awarded outright, the "Emery Wilson Memorial Cup" donated by the "C" Club. The team scoring the greatest number of points will also receive a "win" on the "Pep" cup donated by Parker, Bridget Co., which must be won three times in order to be retained outright. Central has two wins and Staunton Military Academy two wins in this cup. To the team winning the second greatest number of points will be awarded the Alumni Cup. The individuals scoring the greatest number of points in the track events and field events respectively, will be awarded gold watches. Gold medals will be given to the individual winners in the finals of each event, silver medals to those finishing second, and bronze medals to those finishing third. Central High School will be in competition for a "win" on the "Pep" cup only. There will be special prizes for graded school events.

High School Students Should Know the Benefits OF THE SWARTZELL, RHEEM & HENSEY PLAN OF

The Sixth Annual Interscholastic Field and Track Games, 1924

THE MEET:

Fulfilling the vision of the late Emery M. Wilson former principal of Central High School, it is the purpose to make this annual meet the National Scholastic Championships of the East, and through this means, to bring to Washington each year the leading preparatory schools and high schools; reflecting at the same time, something of Central Spirit and Central Traditions which have played such an important part in the making of many citizens not only of Washington but of the entire United States.

THE "C" CLUB:

It was with this thought in mind that Mr. Robert Maurer, former principal of Central, turned the management of these games over to the "C" Club the last few years. This organization was the result of a spontaneous desire on the part of some of the boys who have won athletic insignia in the days gone by, and who have banded together with the idea of promoting good sportmanship, clean athletics and a better appreciation of Central Spirit to those with whom Central teams come in contact on the field and track. During its existence, this Club has helped to equip more than double the number of candidates in the various sports, has financed out-of-town trips for several teams, has personally entertained the members of visiting teams, has and will continue to present to the members of championship teams gold insignia as a reward of success, and has provided general financial aid along those lines which could not be provided for from the school athletic fund. It is the general belief that the "C" Club has already done much to place Central in the top rank among preparatory schools of the country, and has reflected to the general public, those ideals of clean, moral, and sportsmanlike endeavor for which Central Spirit and Central teams have stood for over forty years.

THE GAMES COMMITTEE:

In the organization of the "C" Club, one man is responsible for the supervision of each separate sport, appointing his own committee and making arrangements as he thinks best. Thus, the Field and Track Games have come under the supervision of Norman Oyster, chairman; Allen C. Minnix, 11, vice chairman; and the following committee: E. D. Rheem, '09; S. E. Kent, '05; Joe Mar, '12; H. T. Morsell, '10; W. S. Boetler, '11; J. H. Sprigman, '87; Bob Newby, and the boys of the Undergraduate "C" Club.

THE SCORING:

Points will be awarded to those schools securing a first, second or third in the finals of each event; five points for first place, three points for second place and one point for third place. Relay races will not count in scoring.

THE TROPHIES:

To the team winning the greatest number of points will be awarded outright, the "Emery Wilson Memorial Cup" donated by the "C" Club. The team scoring the greatest number of points will also receive a "win" on the cup donated by the Cornell University Alumni Association of Washington, which must be won three times in order to be retained outright. This is a new cup and no school has yet scored a win on it. To the team winning the second greatest number of points will be awarded the Alumni Cup. The individuals scoring the greatest number of points in the track events and field events respectively, will be awarded gold watches. Gold medals will be given to the individual winners in the finals of each event, silver medals to those finishing second, and bronze medals to those finishing third. Central High School will be in competition for a "win" on the "Cornell" cup only. There will be special prizes for graded school events.

High School Students Should Know the Benefits OF THE SWARTZELL, RHEEM & HENSEY PLAN OF

YOU CAN SAVE \$5 OR \$10 A MONTH UNDER THIS PLAN AND RECEIVE INTEREST AT SIX PER CENT ON EVERY DOLLAR SAVED FOR EVERY DAY IT IS SAVED.

The Eighth Annual Interscholastic Field and Track Games, 1926

THE MEET

Fulfilling the vision of the late Emory M. Wilson former principal of Central High School, it is the purpose to make this annual meet the National Scholastic Championships of the East, and through this means, to bring to Washington each year the leading preparatory schools and high schools; reflecting at the same time, something of Central Spirit and Central Traditions which have played such an important part in the making of many citizens not only of Washington but of the entire United States.

THE "C" CLUB

It was with this thought in mind that Mr. Robert Maurer, former principal of Central, turned the management of these games over to the "C" Club the last few years. This organization was the result of a spontaneous desire on the part of some of the boys who had won athletic insignia in the days gone by, and who have banded together with the idea of promoting good sportsmanship, clean athletics and a better appreciation of Central Spirit to those with whom Central teams come in contact on the field and track. During its existence, this Club has helped to equip more than double the number of candidates in the various sports, has financed out-of-town trips for several teams, has personally entertained the members of visiting teams, has and will continue to present to the members of championship teams gold ensignia as a reward of success, and has provided general financial aid along those lines which could not be provided for from the school athletic fund. It is the general belief that the "C" Club has already done much to place Central in the top rank among preparatory schools of the country, and has reflected to the general public, those ideals of clean, moral, and sportsmanlike endeavor for which Central Spirit and Central teams have stood for over forty years.

THE SCORING

Points will be awarded to those schools securing a first, second or third in the finals of each event; five points for first place, three points for second place and one point for third place. Relay races will not count in scoring.

THE TROPHIES

To the team winning the greatest number of points will be awarded outright, the "Emory Wilson Memorial Cup" donated by the "C" Club. The team scoring the greatest number of points will also receive a "win" on the cup donated by the Cornell University Alumni Association of Washington, which must be won three times in order to be retained outright. This is a new cup and no school has yet scored a win on it. To the team winning the second greatest number of points will be awarded the Alumni Cup. The individuals scoring the greatest number of points in the track events and field events respectively, will be awarded gold watches. Gold medals will be given to the individual winners in the finals of each event, silver medals to those finishing second, and bronze medals to those finishing third. Central High School will be in competition for a "win" on the "Cornell" cup only. There will be special prizes for graded school events.

Fulfilling the vision of the late *Emily M. V. H.* son, former principal of Central High School, it is the purpose to make this annual meet the National Scholastic Championships of the East, and through this means, to bring to Washington each year the leading preparatory schools and high schools; reflecting at the same time, something of Central Spirit and Central Traditions which have played such an important part in the making of many citizens not only of Washington but of the entire United States.

THE "C" CLUB

It was with this thought in mind that Mr. Robert Maurer, former principal of Central, turned the management of these games over to the "C" Club the last few years. This organization was the result of a spontaneous desire on the part of some of the boys who had won athletic insignia in the days gone by, and who have banded together with the idea of promoting good

ship, clean athletics and a better appreciation of Central Spirit to those with whom Central teams come in contact on the field and track. During its existence, this Club has helped to equip more than double the number of candidates in the various sports, has financed out-of-town trips for several teams, has personally entertained the members of visiting teams, has and will continue to present to the members of championship teams gold insignia as a reward of success, and has provided general financial aid along those lines which could not be provided for from the school athletic fund. It is the general belief that the "C" Club has already done much to place Central in the top rank among preparatory schools of the country, and has reflected to the general public, those ideals of clean, moral, and sportsmanlike endeavor for which Central Spirit and Central teams have stood for over forty years.

The "C" Club wishes to thank our Principal, faculty and student body for their cooperation in making this meet a success.

The Tenth Annual Interscholastic Field and Track Games, 1928

.....

THE MEET:

Fulfilling the vision of the late Emery M. Wilson, former principal and father of athletics at Central High School, it is the purpose to make this annual meet the National Scholastic Championships of the East, and through this means, to bring to Washington each year the leading preparatory schools and high schools; reflecting at the same time, something of Central Spirit and Central Traditions which have played such an important part in the making of many citizens not only of Washington but of the entire United States.

THE "C" CLUB:

It was with this thought in mind that Mr. Robert Maurer, former principal of Central, turned the management of these games over to the "C" Club in 1920, nine years ago. This organization was the result of a spontaneous desire on the part of some of the boys who had won their "C" in the days gone by, and who have banded together with the idea of promoting good sportsmanship, clean athletics and a better appreciation of Central Spirit to those with whom Central teams come in contact on the field and track. During nine years of existence, this Club has helped to equip teams in the various sports, has financed out-of-town trips for several teams, has personally entertained the members of visiting teams, has and will continue to present to the members of championship teams gold insignia as a reward of success, and has provided general financial aid along those lines which could not be provided for from the school athletic fund. It is the general belief that the "C" Club has already done much to place Central in the top rank among preparatory schools of the country, and has reflected to the general public, those ideals of clean, moral, and sportsmanlike endeavor for which Central Spirit and Central teams have stood for over forty years.

THE GAMES COMMITTEE:

In the organization of the "C" Club, one man is responsible for the supervision of each separate sport, appointing his own committees and making arrangements as he thinks best. Thus, the Field and Track Games have come under the supervision of the following committee: James Sprigman, '87, chairman; Allen C. Minnix, '11; Norman Oyster, '15; Gene Casey, '23; Bob Acorn, '15; Bob Montgomery, '20; Ed Rheem, '09; Bob Newby, '20.

THE SCORING:

Points will be awarded to those schools securing a first, second or third in the finals of each event; five points for first place, three points for second place and one point for third place. Relay races will not count in the scoring.

THE TROPHIES:

To the team winning the greatest number of points will be awarded outright, the "Emery Wilson Memorial Cup" donated by the "C" Club. The team scoring the greatest number of points will also receive a "win" on the cup donated, which must be won three times in order to be retained outright. ~~Central has one win and Staunton Military Academy two wins in this cup.~~ Gold medals will be given to the individual winners in the finals of each event, silver medals to those finishing second, and bronze medals to those finishing third. Central High School will be in competition for a "win" on the cup only.

NOTE: The "leg cup" was donated by the D. of C. Cornell Alumni Association. Central, Woodbury Forest, Tech, and Episcopal, each have one "win" on this cup. The team scoring second place receives the "George Hamilton Memorial Trophy" donated by the "C" Club.

Health in Food

“The foundation of child health lies in proper feeding † † The race cannot survive without dairy products.”

---Herbert Hoover.

Ice Cream is a dairy product, - milk and cream in a delicious form. Children and grown-ups love to take their milk that way. It fairly makes “their mouths water,” — a great aid to profitable digestion.

Pure cream is the basis of CARRY'S Delicious Ice Cream and all other ingredients are the best. When buying ice cream ask for and instruct your children to ask for

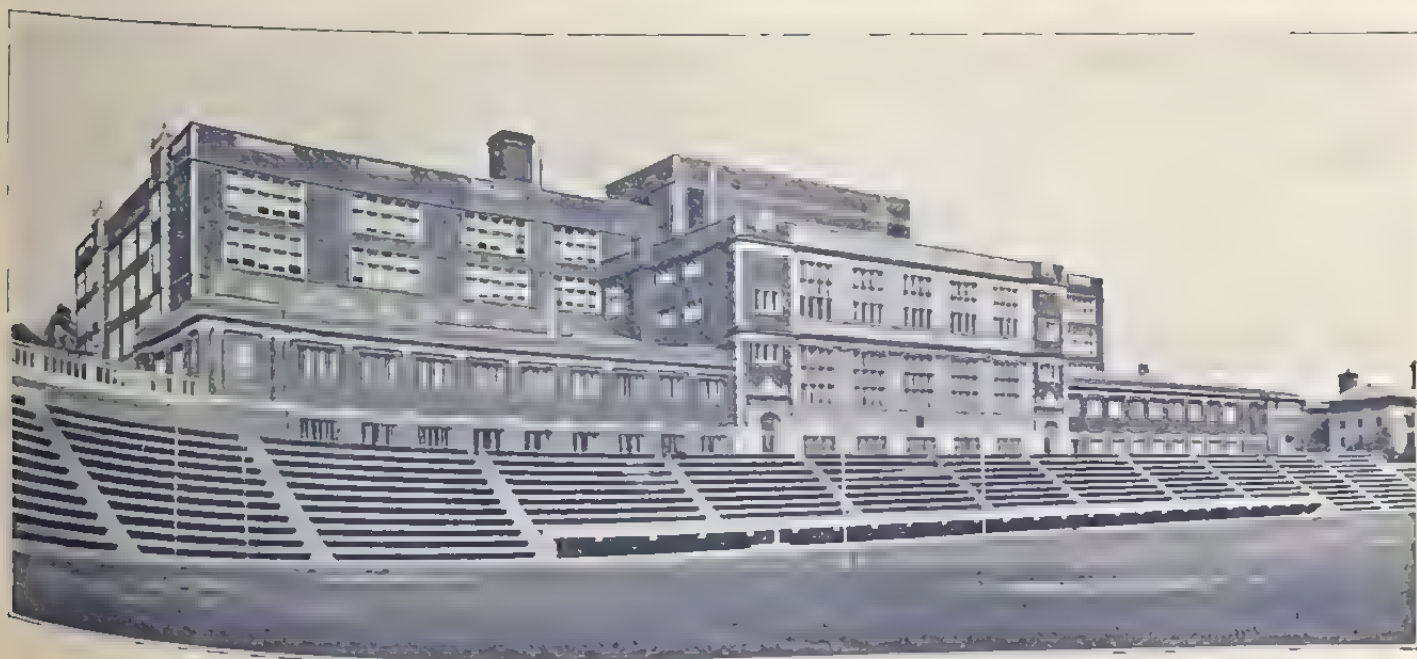

IT'S THE BEST!

The Eleventh Annual

Interscholastic Field and Track Games, 1929

THE MEET:

Fulfilling the vision of the late Emery M. Wilson, former principal and father of athletics at Central High School, it is the purpose to make this annual meet the National Scholastic Championships of the East, and through this means to bring to Washington each year the leading preparatory schools and high schools; reflecting at the same time something of Central Spirit and Central Traditions which have played such an important part in the making of many citizens not only of Washington but of the entire United States.

THE "C" CLUB:

It was with this thought in mind that Mr. Robert Maurer, former principal of Central, turned the management of these games over to the "C" Club in 1920, ten years ago. This organization was the result of a spontaneous desire on the part of some of the boys who had won their "C" in the days gone by, and who have banded together with the idea of promoting good sportsmanship, clean athletics and a better appreciation of Central Spirit to those with whom Central teams come in contact on the field and track. During ten years of existence, this Club has helped to equip teams in the various sports, has financed out-of-town trips, has personally entertained the members of visiting teams, has and will continue to present to the members of championship teams gold insignia as a reward of success, and has provided general financial aid along those lines which could not be provided for from the school athletic fund. It is the general belief that the "C" Club has already done much to place Central in the top rank among preparatory schools of the country, and has reflected to the general public those ideals of clean, moral, and sportsmanlike endeavor for which Central Spirit and Central teams have stood for over forty years.

THE SCORING:

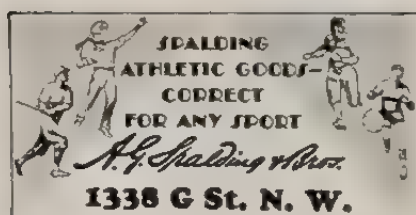

Points will be awarded to those schools securing a first, second or third in the finals of each event; five points for first place, three points for second place and one point for third place. Relay races in the Junior High events will count in the scoring. In the "C" Club One-Mile Relay Championship (an open event), three, two and one points will be awarded. All other relay races will not count in the scoring.

THE TROPHIES:

The team scoring the most points will be awarded outright the *Emory Wilson Memorial Cup*, donated by the "C" Club, and also a "win" on the cup donated by the District of Columbia Cornell Alumni Association, which cup must be won three times in order to be permanently retained. Central, Woodbury Forest, Tech, Episcopal, and Devitt Prep, each have one "win" on the *Cornell Cup*. The team scoring second place receives the *George Hamilton Memorial Trophy*, donated by the "C" Club. The *Pearson and Crain Cup* goes to the team scoring third place.

The Junior High School scoring the most points will be awarded the *Sprigman Trophy*. Gold medals will be given to the individual winners in the finals of each event, silver medals to those finishing second, and bronze medals to those finishing third. Central High School is eligible only to the individual prizes and a "win" on the Cornell Cup.

The relay team winning the "C" Club One-Mile Relay Championship will be awarded the *Eugene Casey Cup*.

The Twelfth Annual

Interscholastic Field and Track Games

THE MEET:

Fulfilling the vision of the late Emory M. Wilson, former principal and father of athletics at Central High School, it is the purpose to make this annual meet the National Scholastic Championships of the East, and through this means to bring to Washington each year the leading preparatory schools and high schools; reflecting at the same time something of Central Spirit and Central Traditions which have played such an important part in the making of many citizens not only of Washington but of the entire United States.

THE "C" CLUB:

It was with this thought in mind that Mr. Robert Maurer, former principal of Central, turned the management of these games over to the "C" Club in 1920, eleven years ago. This organization was the result of a spontaneous desire on the part of some of the boys who had won their "C" in the days gone by, and who have banded together with the idea of promoting good sportsmanship, clean athletics and a better appreciation of Central Spirit to those with whom Central teams come in contact on the field and track. During eleven years of existence, this Club has helped to equip teams in the various sports, has financed out-of-town trips, has personally entertained the members of visiting teams, has and will continue to present to the members of championship teams gold insignia as a reward of success, and has provided general financial aid along those lines which could not be provided for from the school athletic fund. It is the general belief that the "C" Club has already done much to place Central in the top rank among preparatory schools of the country, and has reflected to the general public those ideals of clean, moral, and sportsmanlike endeavor for which Central Spirit and Central teams have stood for over forty years.

THE SCORING:

Points will be awarded to those schools securing a first, second or third in the finals of each event, five points for first place, three points for second place and one point for third place. Relay races in the Junior High events will count in the scoring. In the "C" Club One-Mile Relay Championship (an open event), three, two and one points will be awarded. All other relay races will not count in the scoring.

THE TROPHIES:

The team scoring the most points will be awarded outright the *Emory Wilson Memorial Cup*, donated by the "C" Club, and also a "win" on the cup donated by the District of Columbia Cornell Alumni Association, which cup must be won three times in order to be permanently retained. Tech has two "wins" and Central, Woodbury Forest, Episcopal, and Devitt Prep, each have one "win" on the *Cornell Cup*. The team scoring second place receives the *George Hamilton Memorial Trophy*, donated by the "C" Club. The *Pearson and Crain Cup* goes to the team scoring third place.

The Junior High School scoring the most points will be awarded the *Sprigman Trophy*. Gold medals will be given to the individual winners in the finals of each event, silver medals to those finishing second, and bronze medals to those finishing third. Central High School is eligible only to the individual prizes and a "win" on the *Cornell Cup*.

The relay team winning the "C" Club One-Mile Relay Championship will be awarded the *Eugene Casey Cup*.

The Thirteenth Annual Interscholastic Field and Track Games

THE MEET:

Fulfilling the vision of the late Emory M. Wilson, former principal and father of athletics at Central High School, it is the purpose to make this annual meet the National Scholastic Championships of the East, and through this means to bring to Washington each year the leading preparatory schools and high schools; reflecting at the same time something of Central Spirit and Central Traditions which have played such an important part in the making of many citizens not only of Washington, but of the entire United States.

THE "C" CLUB:

It was with this thought in mind that Mr. Robert Maurer, former principal of Central, turned the management of these games over to the "C" Club in 1920, twelve years ago. This organization was the result of a spontaneous desire on the part of some of the boys who had won their "C" in the days gone by, and who have banded together with the idea of promoting good sportsmanship, clean athletics and a better appreciation of Central Spirit to those with whom Central teams come in contact on the field and track. During its twelve years of existence, this Club has helped to equip teams in the various sports, has financed out-of-town trips, has personally entertained the members of visiting teams, has and will continue to present to the members of championship teams gold insignia as a reward of success, and has provided general financial aid along those lines which could not be provided for from the school athletic fund. It is the general belief that the "C" Club has already done much to place Central in the top rank among preparatory schools of the country, and has reflected to the general public those ideals of clean, moral, and sportsmanlike endeavor for which Central Spirit and Central teams have stood for over forty years.

THE SCORING:

Finals of Individual Events
The "C" Club One-Mile Relay Championship (Open)
Junior High Events Including the Relay
No other events will count in the scoring.

} First Place—5 points
} Second Place—3 points
} Third Place—1 point

THE TROPHIES AND MEDALS:

Team Scores (Interscholastic Events):

First Place—The Emory Wilson Memorial Cup, donated by the "C" Club.

A win on the Cornell Cup, donated by the Cornell Alumni of D. C.

(Three wins are necessary for permanent possession.)

Second Place—The George Hamilton Memorial Trophy, donated by the "C" Club.

Third Place—The Pearson and Crain Cup, donated by Pearson and Crain.

Team Scores (Junior High Events):

First Place—The Sprigman Trophy.

The "C" Club One-Mile Relay Championship:

First Place—The Eugene Casey Cup, donated by Eugene Casey.

Relays:

First Place Only—Gold Medals to the members of the relay team

Finals of Individual Events:

First, Second, and Third Places—Gold, Silver, and Bronze Medals.

The following schools have wins on the Cornell Cup:

Tech	2 wins
Woodberry Forest	2 wins
Central	1 win
Episcopal	1 win
Devitt Prep	1 win

Central High School is not eligible to win any cup donated by the "C" Club.

The Fourteenth Annual Interscholastic Field and Track Games

UNDER I.C.A.A.A. RULES

THE MEET:

Fulfilling the vision of the late Emory M. Wilson, former principal and father of athletics at Central High School, it is the purpose to make this annual meet the National Scholastic Championships of the East, and through this means to bring to Washington each year the leading preparatory schools and high schools; reflecting at the same time something of Central Spirit and Central Traditions which have played such an important part in the making of many citizens not only of Washington, but of the entire United States.

THE "C" CLUB:

It was with this thought in mind that Mr. Robert Maurer, former principal of Central, turned the management of these games over to the "C" Club in 1920, thirteen years ago. This organization was the result of a spontaneous desire on the part of some of the boys who had won their "C" in the days gone by, and who have banded together with the idea of promoting good sportsmanship, clean athletics and a better appreciation of Central Spirit to those with whom Central teams come in contact on the field and track. During its thirteen years of existence, this Club has helped to equip teams in the various sports, has financed out-of-town trips, has personally entertained the members of visiting teams, has and will continue to present to the members of championship teams gold insignia as a reward of success, and has provided general financial aid along those lines which could not be provided for from the school athletic fund. It is the general belief that the "C" Club has already done much to place Central in the top rank among preparatory schools of the country, and has reflected to the general public those ideals of clean, moral, and sportsmanlike endeavor for which Central Spirit and Central teams have stood for over forty years.

THE SCORING AND MEDALS:

All open events will count in the Team Scoring.

First Place—5 Points. Second Place—3 Points.

Members of Winning Relays

Finals of all other events

Third Place—1 Point.

Gold Medals

Gold, Silver, and Bronze Medals

The Fifteenth Annual Interscholastic Field and Track Meet

Under I. C. A. A. A. RULES

The Meet

Fulfilling the vision of the late Emory M. Wilson, former principal and father of athletics at Central High School, it is the purpose to make this annual meet the National Scholastic Championships of the East, and through this means to bring to Washington each year the leading preparatory schools and high schools; reflecting at the same time something of Central spirit and Central Traditions which have played such an important part in the making of many citizens not only of Washington, but of the entire United States.

The "C" Club

It was with this thought in mind that Mr. Robert Maurer, former principal of Central, turned the management of these games to the "C" Club in 1920, fourteen years ago. This organization was the result of a spontaneous desire on the part of some of the boys who had won their "C" in the days gone by, and who have banded together with the idea of promoting good sportsmanship, clean athletics, and a better appreciation of Central Spirit to those with whom Central teams come in contact on the field and track. During its fourteen years of existence, this Club has helped to equip teams in the various sports, has and will continue to present to the members of championship teams gold insignia as a reward of success, and has provided general financial aid along those lines which could not be provided for from the school athletic fund. It is the general belief that the "C" Club has already done much to place Central in the top rank among preparatory schools of the country, and has reflected to the general public those ideals of clean, moral, and sportsmanlike endeavor for which Central Spirit and Central teams have stood for over forty years.

The Scoring and Medals

All open events will count in the Team Scoring.

First Place—5 Points.	Second Place—3 Points.	Third Place—1 Point.
Members of Winning Relays	Gold Medals	let
Finals of all other events	Gold, Silver, and Bronze Medals

"While You Are About It, Get a Good Picture"

The Seventeenth Annual Interscholastic Field and Track Meet

Under I. C. A. A. A. Rules

THE MEET

Fulfilling the vision of the late Emory M. Wilson, former principal and father of athletics at Central High School, it is the purpose to make this annual meet the National Scholastic Championships of the East, and through this means to bring to Washington each year the leading preparatory schools and high schools; reflecting at the same time something of Central spirit and Central Traditions which have played such an important part in the making of many citizens not only of Washington, but of the entire United States.

THE "C" CLUB

It was with this thought in mind that Mr. Robert Maurer, former principal of Central, turned the management of these games to the "C" Club in 1920, fifteen years ago. This organization was the result of a spontaneous desire on the part of some of the boys who had won their "C" in the days gone by, and who have banded together with the idea of promoting good sportsmanship, clean athletics, and a better appreciation of Central Spirit to those with whom Central teams come in contact on the field and track. During its sixteen years of existence, this Club has helped to equip teams in the various sports, has financed out-of-town trips, has personally entertained the members of visiting teams, has and will continue to present to the members of championship teams gold insignia as a reward of success, and has provided general financial aid along those lines which could not be provided for from the school athletic fund. It is the general belief that the "C" Club has already done much to place Central in the top rank among preparatory schools of the country, and has reflected to the general public those ideals of clean, moral, and sportsmanlike endeavor for which Central Spirit and Central teams have stood for over fifty years.

SHOOT

Is the Saf

Organized shooting is the safest of all active sports. There has never been a serious gun accident among boys under N. R. A. supervised shooting.

Every boy yearns to own a gun and learn to shoot. Just teach him *how* to shoot and the proper respect for firearms, and he will always handle them safely.

With the help of The National Rifle Association, it is amazingly easy to teach boys the art of shooting straight and the simple rules of handling firearms safely.

Write or telephone for the complete story of The National Rifle Association Training Course and Match Programs for organized Junior shooting. Ask also for a sample copy of The American Rifleman—the one magazine devoted exclusively to firearms and their use.

Telephone District 3412 and ask for Mr. Goebel. Or write:

25 CENTS

TO OUR GUEST

CENTRAL HIGH SCHOOL
GLAD TO HAVE YOU
ON OUR SCHEDULE

Regardless of the result of the game, let us remember we are all students, only under different colors, and strive to emulate true sportsmen throughout the battle. We are glad to have you and hope to continue our relationship.

OUR ADVERTISERS HAVE HELPED TO MAKE
THIS BOOK A SUCCESS
PATRONIZE THEM

DR. HARVEY A. SMITH
Principal

I AM a firm believer in high school athletics and hope to see Central High School play its part in the upbuilding and maintenance of those high moral and physical standards which have come to be associated with high school sportsmanship.

We do, however, believe in and will support every movement designed to develop the physical, mental, and moral qualities of all students attending this school.

THE OLD CENTRAL HIGH SCHOOL

MR. EMORY M. WILSON

His untiring efforts were largely due
to the realization of a new Central High School.

ENTRANCE TO NEW CENTRAL HIGH SCHOOL

The History of the Central High School

THE Central High School owes its beginning to the union of the Advanced Grammar School for Girls and the Advanced Grammar School for Boys in September, 1882, under the principalship of Mr. E. A. Paul, who had been in charge of the boys' school. The building at the corner of Seventh and O Streets, Northwest, was occupied, and the course, which in the advanced grammar school had been two years, was lengthened to three

Under the guidance of Mr. Paul the school gained in enrollment and prestige. The cadet corps was organized during the first year in the new building. Graduates were sent to West Point, Annapolis and to the leading colleges of the country, and from the first won an enviable reputation for the new high school.

In 1899 an enrollment of 1,422 brought about the formation of the following year of the Business, Eastern, and Western High Schools. In 1901 all the pupils taking manual training course were removed into a separate school, and the following year, 1902, the new McKinley Manual Training School was opened.

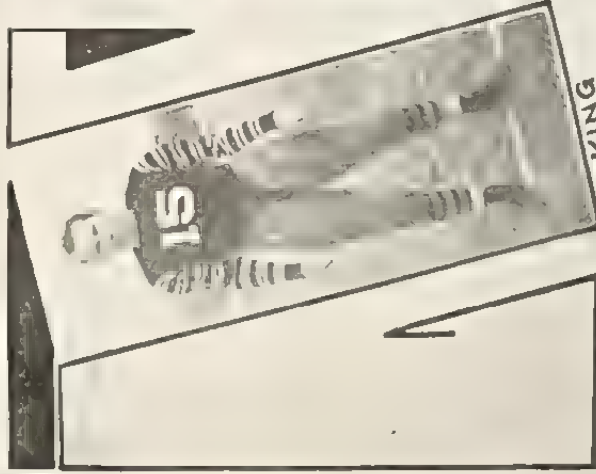

From that time until the new building was entered in 1916, Central continued a purely academic school. With the occupation of the new building, business and manual training subjects were again offered and in addition, courses in household economics were started.

During these years the affairs of Central have been under the direction of four principals. Mr. Paul, who died in 1888, was succeeded by Dr. Francis R. Lane, a teacher of English in the school. In 1897 Dr. Lane was made Director of all the high schools, and Mr. Percy M. Hughes, head of the History Department, a graduate of the Advanced Grammar School for Boys, was made principal. In June, 1902, Dr. Lane resigned, and Mr. Hughes was promoted

to be Director, a position since abolished. He was succeeded as principal of Central by Mr. Wilson, who at the time of his appointment was head of the History Department. Mr. Wilson was a graduate of the class of 1889, in which class Mr. Kramer also graduated.

Mr. Wilson held the office of principal for 18 years, until his death in February, 1920, deprived the school of his leadership. He was succeeded by Mr. Maurer who, from the beginning of Mr. Wilson's illness in the fall of 1918, had been acting principal. Mr. Maurer had been closely connected with the school since 1905 as a member of the faculty and head of the History Department. He resigned his office as principal at the close of September, 1923, to accept a professorship in the Law School of Georgetown University. Upon his resignation, Mr. Kramer, who had been actively connected in an executive capacity with school affairs in Washington for many years, left his position as Assistant Superintendent of Schools to assume the duties of Principal of Central. In December, 1924, after the establishment of the new office of First Assistant Superintendent of Schools, Mr. Kramer was called to take charge of this work, and Mr. Miller came into office. Mr. Miller had been identified with work in the public schools in Washington for many years. He was a member of the faculty of Central at the opening of the new school in 1916, having had charge of the School Bank and of the Business Department, and later taking over the duties of Assistant Principal.

Mr. Miller was Principal of the school until his death in 1929, when he was succeeded by Dr. Harvey A. Smith, the present Principal of Central. Dr. Smith came to the Washington schools from Columbia University, after a wide experience as a school executive in Pennsylvania and New Jersey.

ROBERT (BOB) HENRY MICHELET

February 4, 1912

March 14, 1934

In Central High School Bob was an earnest student and a promising athlete; in Mercersburg, he was graduated *cum laude*, and he had starred in football and track; and in Dartmouth, after three years of crowded honors, he was appointed a Senior Fellow and a Rhodes Scholar, while he was captain of the track team and a discus thrower of renown; scholar-athlete and gentleman he was, whose musical name never missed the honor roll, pyramiding one award after another whose weight of glory left him modest and unassuming, without arrogance and without subservience. His charm lay in his quiet smile and arresting personality, and it won him fortune's favor at every turn; youth and age alike were his devoted followers, and organizations and groups chose him their leader, and he was "on guard" always in the welfare of each. He possessed an intimate knowledge of the realities of life, this scholar-athlete, who loved to read Plato.

Emory McElreath

PRINCIPAL C. H. S.

W. M. Phelps, M.S.
PRESIDENT ATHLETIC ASS'N

Review of Central and Inter-High Football

1884 and 1885 Central had what was called an "Athletic Club," which played several impromptu games—"We have a game today, how would you like to play"—playing Kendall, Columbia College, and Episcopal, losing all their games.

1886—Mr. Frank Angell introduced the idea of organizing a football team and the first Athletic Association was formed. "Judging from the practice of the boys in the side yard as seen from the second story window, we should have an excellent 'eleven' this fall. Let the good work go on." The first game ever scheduled by the school's Athletic Association was with the Kendall team; score 12 to 0 in Kendall's favor. The line-up: Fisher, Dudley, E. W. Williams, J. M. Williams, Jacobs, Poynton, Elmes, Burroughs, Angell, Mulliken and Syme. The second and only other game that year was with Episcopal. Central was leading 6 to 0, when near the end of the game two Episcopal players collided head on in making a tackle; the Central player dodged, and they were injured. By mutual agreement the game was called.

1887—Central 10, Duponts 0; Central 0, Kendall 47; Central 6, Amateurs 0; Central 19, Dennison 0; Central 11, LeDroit 4; Central 0, Episcopal 32; Central 0, Georgetown College 16.

1888 and 1889—We had a first and a second team and only played a few games.

1890—The Business, Eastern, and Western High Schools were opened, but had no football teams organized

for their initial year. Central continued her football team, playing four games.

1891—This year was much like the previous one, with Central again the only high school to compete in football. Four games were played.

1892—For the first time in the history of the high schools an inter-high school series was inaugurated with Eastern. The game was won by Eastern by the score of 10-4.

1893—Four teams were represented in the series during the year, and Central won the first real inter-high school championship by defeating Western, 0 to 38; Eastern, 0 to 18; Business was tied in the first contest 0 to 0, but Central nosed them out in a return engagement 10 to 6.

1894—Inter-high competition was cut this year with Business the only team to rival Central. They played three games with the following scores: Central 16, Business 6; Central 4, Business 6; and Central won the concluding game and the championship by defeating Business 6 to 0.

1895—Eastern was the team to attempt to conquer the Central lads in the series with Central, emerging victorious by 22 to 6, and 18 to 6 counts. Again Central was acclaimed the champions.

1896—Central won again, defeating Eastern in two games, 16 to 0 and 8 to 6.

1897—All the schools were again entered in the high school series. Eastern won the championship by annexing

Review of Central and Inter-High Football—Cont'd

three wins and one tie, while Central placed second with two wins, one lost, and one tie; Business third. Western pulled up last. Western forfeited its game with Central.

1898—Central again came through with the championship, defeating Eastern 36 to 0, and Business 49 to 0, Western not entering a team. Mr. Emory Wilson was the coach.

1899—Continuing as champions Central emerged with the following victories: Central 12, Eastern 6; Central 11, Western 5, and Central 16, Business 0. Mr. Wilson coaching.

1900—Three Central championships were realized in this year, as the Blue and White settled the score with the opposing schools and copped the honors. Central 22, Western 6; Central 29, Eastern 0; Central 23, Business 0. Mr. Wilson coaching.

1901—The high school principals met this year and decided not to have any series because of the strength of Central's team. Students attending Central were far superior to other schools, due to the fact that the Central team was composed of the members of the Technical Course and the Regular Course. This was the beginning of the Technical School. The two teams playing together as a Central team figured in six games. Mr. Emory Wilson coached this team.

1902—With the separation of the Technical students from those studying the Regular course, Tech High School first saw the light of day. Five high schools were now in Washington, and Central won the championship. Mr. Arba Tindall coached Central and won from Tech 23-6.

1903—Tech won the title. After Central had defeated Eastern 39 to 0, Business 27 to 0, and lost to Western 6 to 0, Tech scored a 10-to-0 win over her rival Central. Mr. Gilbert Kelly was the coach.

1904—It was Tech again this year. Central 16, Eastern 0; Central 6, Tech 6; Central 0, Western 15. Business was beaten by Central 40-0. Mr. Arba Tindall coached at Central during this year.

1905—Championship to Tech again, the school realizing three successive championships. Central defeated Eastern, 10 to 6, lost to Western 11 to 0, but downed Business 34 to 0. Tech was tied this year 0 to 0 by Central. Mr. Roswell Snow was the coach.

1906—Business and Eastern had no teams. A triple tie was caused in the series by the defeat of Tech by Central, 11 to 4, after Tech had won from Western and Central losing to Western, 4 to 0. Mr. Gilbert Kelly was the coach.

1907—Tech won the championship. Central 0, Eastern 5; Central 5, Tech 33; Central 5, Business 0, and Central 7, Western 0. Mr. Gilbert Kelly was the coach.

1908—Tech won this year and series scores were: Central 0, Western 10; Central 0, Tech 12; Central 6, Business 0; Central 7, Eastern 5.

1909—Tech annexed their third championship, defeating Central, 27 to 0; Central 16, Business 5; Central 5, Western 0; Central-Eastern game was called off. With Tom Kirby now coaching at Central.

1910—This year saw Mr. Thomas, a teacher at present in Central, coaching. The Central lads copped the championship. Tech succumbed by a 6 to 0 count.

1911—Central awarded unofficial title after play-off games resulted in a 12 to 0 victory over their Tech rivals. Mr. Thomas coached. Central 6, Western 0; Central 27, Business 0; Central 0, Tech 0; Central 18, Eastern 0.

1912—Central again defeated Tech by the score of 6 to 0, and went on to win the title. They were coached by Mr. Thomas.

1913—Tech resumed her winning ways defeating Central by the slim margin of 3 to 0. Eastern was beaten by Central by the same score that year. Central 0, Western 3; Central 13, Business 19.

1914—Tech trimmed Central 6 to 0, winning the championship. Central 7, Business 0; Central 0, Western 0; Central 0, Eastern 7. Central coached by Thomas.

1915—Tech won again, beating Central 11 to 10. Central 6, Eastern 0; Central 6, Business 13; Central 0, Western 0. Thomas again coached the Blue and White.

1916—Central won, now in its new building, with Mr. Metzler coaching for his first year. Central 20, Western 0; Central 14, Business 6; Central 7, Tech 0, and Central 43, Eastern 6.

1917—Central victorious again. Mr. Metzler coaching. Central 48, Eastern 0; Central 33, Tech 0; Central 120, Business 0; Central 20, Western 0.

1918—There was no series this year due to the Spanish influenza epidemic.

1919—Central won, beating Business, 51 to 7; Western, 16 to 7; Eastern, 34 to 7, and Tech, 14 to 7. Mr. Metzler coached.

1920—Tech this year won the championship. Central 48, Business 0; Central 6, Eastern 0; Central 0, Western 0, and Central 7, Tech 7. Metzler was coach.

1921—Central won during Mr. Metzler's last year as coach, Central defeating Eastern, 6 to 3; Tech, 7 to 6, Business, 7 to 0, and Western tied Central, 0 to 0.

1922—Central, under Mr. Kirby, defeated the other high schools for the championship. Central 13, Western 0; Central 7, Business 0; Central 12, Tech 6; Central 14, Eastern 0.

1923—Tech won the championship by lashing Central 16 to 0. Central won from Business 50 to 0, Eastern 22 to 0, but lost to Western 13 to 0. Mr. Kirby coached.

1924—Tech and Western this year tied, Central beaten by Tech 12 to 0, and by Western 13 to 7, and Eastern 6 to 3. This was Mr. Kelly's first year as coach.

1925—Central was more fortunate under the Kelly system as it went into its second year. They copped a championship this year with a great team.

1926—Tech won this year. Central 0, Eastern 12; Central 0, Tech 0; Central 3, Business 0, and Central 0, Western 6. Mr. Kelly was coach at Central.

1927—Central, Eastern and Tech figured in a three-way tie this season, and Mr. Kelly concluded his coaching at the Clifton Street institution.

1928—Tech began her five-year stand as the football champions of the city. Mr. Rauber had taken over the coaching reins at Central.

1929—Tech won again this year with Rauber still at Central as coach.

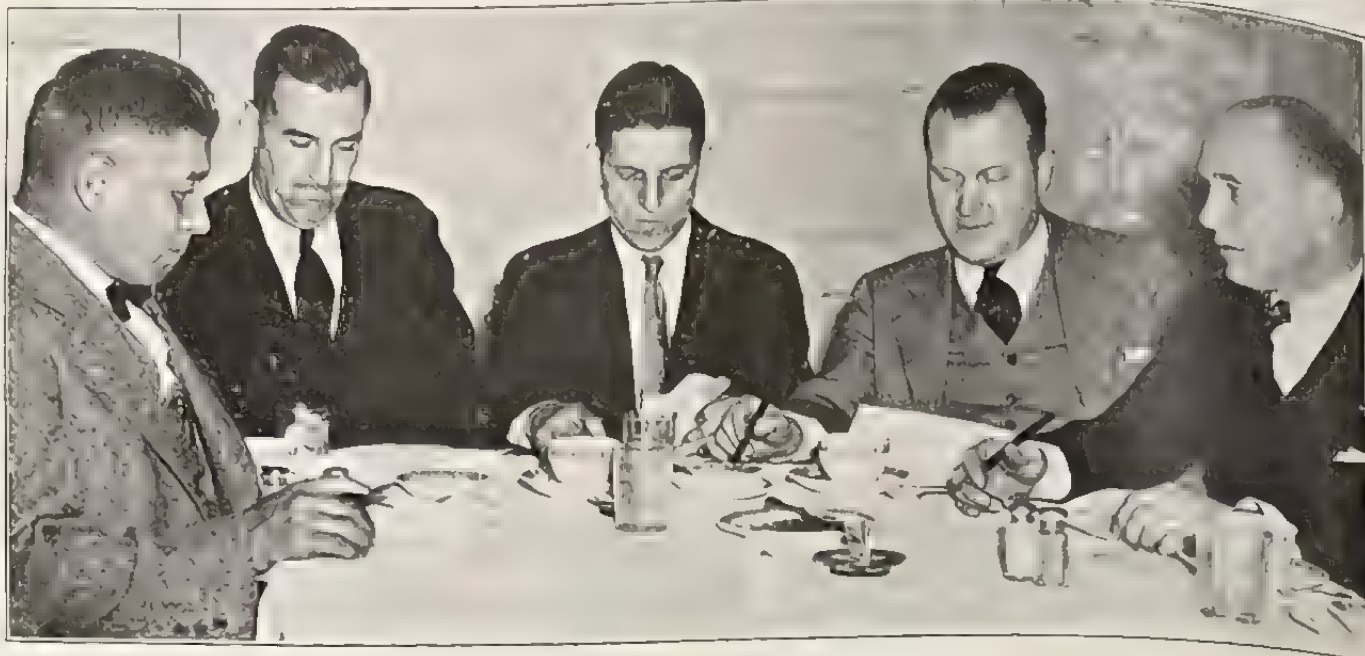

1930—Tech continued as the champions and Mr. Rauber concluded his years as Central's coach.

1931—Tech won the football honors this year and Central was familiarized with the coaching style of Mr. Bert Coggins.

1932—Tech still continued as the champions, and Mr. Coggins was the coach for Central.

1933—Central, under the leadership of Mr. Coggins, ended the reign of Tech High School football supremacy during this year.

Charles Guyon, Eastern; Daniel Ahern, Western; Elmer Hardell, Tech; Bert Coggins, Central; Lynn Woodworth, Roosevelt.

Measuring the distance to be gained

Always the distance to be gained is a line drawn to the goal line. The ball must be moved to the position but must be "ground" in the position where designated that by the referee.

Should one yard of the ball be up to or beyond the line where measuring a yard will be considered as a yard down.

1933 Ball 1934 Ball

The circumference of the short end of the 1934 ball is almost an inch smaller than that of the 1933 ball.

New Rule—Lawbreaker has not yet met the goal line

The Place Kick

See the action below

Path of Ball ———
Path of Player ———
Ball Center ———

Faking a Place Kick

Player No. 1 has not been on the ground waiting for the ball, going for a punting as well as a place kick. (Continued below)

New Rule—Body and arm movements are to be interpreted as a later kick

The referee has been told that the body and arm movements of the player are to be interpreted as a later kick. This is considered as a later kick and down the yardage of 5 yards.

Only one leg

Only one leg was used in a punting. The referee has been told that the body and arm movements of the player are to be interpreted as a later kick. This is considered as a later kick and down the yardage of 5 yards.

The action continues

See the action below

The place

See the action below

Path of Ball ———
Path of Player ———
Ball Center ———

Just before the ball reached his hands

Just before the ball reached his hands he must be seen from the ground, then must the ball back to the referee as a punting. This is legal.

When the distance ball has been stopped

When the distance ball has been stopped he must be seen from the ground, then must the ball back to the referee as a punting. This is legal.

The ball is in the air

The ball is in the air. The referee has been told that the body and arm movements of the player are to be interpreted as a later kick. This is considered as a later kick and down the yardage of 5 yards.

Note to All Alumni Athletes

The Editor of this book would appreciate all Central Athletes, whether '80, '90 or what year, to send in their name, address and years received letter and any of your classmates that you know of. This information would be carried in the next issue and would give us a catalogue file and a chance to bring all the oldtimers together at an athletic get-together. Address to Bert Coggins, Athletic Office, Central High School.

CONGRESSIONAL LIBRARY—9 a. m. to 10 p. m. Reading room hours, 9 a. m. to 10 p. m. Sundays and holidays, building and reading room, 2 p. m. to 10 p. m. Closed Saturday nights during July and August.

BOTANICAL GARDEN—Pennsylvania Ave. 1st to 3rd Sts., N. W. Open daily, 8 a. m. to 5 p. m.

BUREAU OF FISHERIES—6th and B Sts., S. W. Open daily, 9 a. m. to 4:30 p. m.

SMITHSONIAN INSTITUTION—Open daily, 9 a. m. to 4:30 p. m. Sundays, 1:30 to 4:30 p. m.

THE NATIONAL MUSEUM—Open 9 a. m. to 4:30 p. m. daily, and on Sundays, 1:30 to 4:30 p. m.

FREER GALLERY OF ART—12th and B Sts., S. W. Open daily, except Monday, 9 a. m. to 4:30 p. m.

BUREAU OF ENGRAVING AND PRINTING—14th and B Sts., S. W. Open (except Sundays) 9 to 11 a. m. and 1 to 2:30 p. m.

WASHINGTON MONUMENT—Open 9 a. m. to 4:30 p. m. daily, and 12:30 to 4 p. m. Sundays.

LINCOLN MEMORIAL—Open 9 a. m. to 9:30 p. m.; Sundays, 9 a. m. to 4:30 p. m.

NATIONAL ACADEMY OF SCIENCES—Twenty-first and B Sts., N. W. Open 9 a. m. to 5 p. m.

NAVY BUILDING—17th and B Sts., N. W. Open 9 a. m. to 4:30 p. m.

PAN-AMERICAN BUILDING—17th and B Sts., N. W. Open daily, 9:30 a. m. to 4 p. m.

CONTINENTAL HALL (Daughters of the American Revolution)—17th and C Sts. Open daily except Sundays, 11 a. m. to 3 p. m.

AMERICAN RED CROSS—17th and D Sts., N. W. Open daily.

CORCORAN GALLERY OF ART—Open to visitors, Mondays, 12 noon until 4:30 p. m.; on other week-days, 9 a. m. until 4:30 p. m., and on Sundays, 1:30 until 4:30 p. m.

STATE AND WAR DEPARTMENT—17th St. and Pennsylvania Ave., N. W. Open daily except Sunday from 9 a. m. to 2 p. m.

U. S. CHAMBER OF COMMERCE—H St. and Connecticut Ave.

WHITE HOUSE—Pennsylvania Ave. and 16th St. Open daily (except Sunday), 10 a. m. to 2 p. m.

U. S. TREASURY—Pennsylvania Ave. and 15th St., N. W. Open 10:30 a. m. to 12 m. and 1 to 2 p. m.

NAVAL OBSERVATORY—Massachusetts Ave. and 32nd St. Open daily (except Sunday), 9 a. m. to 4 p. m.

BUREAU OF STANDARDS—Connecticut Ave. and Pierce Mill Rd. Open daily (except Sunday), 9 a. m. to 4:30 p. m.

ZOOLOGICAL PARK—Adjoining Rock Creek Park. Open daily until sunset and can be reached by the Chevy Chase cars.

MOUNT VERNON—The home of George Washington, sixteen miles from Washington, on the banks of the Potomac.

ARLINGTON NATIONAL CEMETERY—Former home of General Robert E. Lee, is open daily, including Sundays and holidays, and can be reached by automobile via Key Bridge or by electric trains from 12th St. and Pennsylvania Ave.

ARMY WAR COLLEGE—Washington Barracks, 6th and N Sts., S. W.

MARINE BARRACKS—8th and G Sts., S. E. Open all day

GOVERNMENT PRINTING OFFICE—North Capitol and G Sts., N. W. Open to public on week-days, 10 a. m. to 2 p. m.

FRANCISCAN MONASTERY—14th and Quincy Sts., N. E. Reached by the Brookland cars. Open from 8 a. m. to 5 p. m., both daily and Sundays

ST. ELIZABETH'S (U. S. Hospital for Insane)—Congress Heights. Open daily, including Sundays, and can be reached by the Anacostia car line

SOLDIERS' HOME—The largest and most beautiful home for disabled regular soldiers in the country. Can be reached by cars marked Soldiers' Home on the 9th St. line. Open from sunrise to sunset daily, including Sundays

WASHINGTON NAVY YARD—Foot of 8th St., S. E. Open (except Sunday) to the public, 9 to 11 a. m. and 1 to 4 p. m.

VETERANS' BUREAU—Vermont Ave. between H and I Sts., N. W. Open daily, 9 a. m. to 4:30 p. m.

SHAKESPEAREAN LIBRARY—2nd and E Capitol Sts., S. E. Memorial library given by Henry Folger. In process of construction now

WASHINGTON CATHEDRAL—Mount St. Alban. Open daily, sunrise to sunset.

Digest of D. C. Traffic Regulations

Prepared by A. A. A.

Speed limit: Passenger vehicle 22 miles unless otherwise designated.

Distance to stop behind street cars: 8 feet from nearest exit.

Distance to park from fire plugs: 10 feet.

Speed limit over bridges: 22 miles per hour except as indicated by signs.

Headlights: Should be so arranged and adjusted as to reveal object size of small child 20 feet ahead. No glaring beam shall rise higher than horizontal plane passing through lamp centers parallel to level road. That none of the bright beams shall rise higher than the lamp center at any point ahead of the vehicle.

Rear light: Shall show a red light visible from the rear at distance of 500 feet and illuminate by the white light rear license plate so that numerals thereon are legible at least 50 feet from rear.

Parking light: Shall be mounted at left side of vehicle showing white light from front and red light from rear visible at distance of 500 feet. Parking lights not required on electrically lighted streets where light is sufficient to reveal a person for the distance of 200 feet.

Brake regulations: On a dry, hard, level road, passenger cars and trucks under 1½ tons capacity going 20 miles per hour must be able to stop with foot brake within 50 feet; with emergency brake within 75 feet.

Alley speed limit: 7 miles per hour in alley; three miles per hour emerging from alley and stop before crossing sidewalk.

Cross Walk: Continuation of sidewalk space across street intersection or other places designated by line of traffic device.

Who has right of way at cross walk: Pedestrians except where controlled by traffic officer or devices. At controlled intersections pedestrians shall obey officers or traffic device.

When is it lawful to pass car going in same direction you are going: When there is an unobstructed clear course ahead, but not at street intersection, unless same is controlled by signal light or officer.

What should you do before entering a boulevard: Come to a complete stop, and not proceed until crossing or entry may be made safely without interfering with through traffic.

Distance to park near boulevard STOP or SLOW sign: Not within 25 feet of sign

Safety zones: Should not be entered or traveled through by motor vehicles whether occupied or unoccupied.

What should you do in case of an accident: Give name, place of residence, registration and operator's permit number to individual struck, or owner or operator of other vehicle if present, or if such owner or operator is not present then to bystanders. It is suggested that if accident is serious report be made to police precinct in which it occurs.

Parking regulations: See regulation or signs for restrictions in certain localities. Vehicles shall not park over 6 inches from curb and not within 3 feet of another vehicle. Vehicles shall not park within 20 feet of curb line of any street intersection. No parking within 5 feet of watering trough. Vehicles shall not be parked more than 18 consecutive hours on street. Angle parking is prohibited.

When is it lawful to park abreast: Passenger vehicles may not park abreast but may stop parallel and as near as practicable to parked vehicles long enough to actually take on or let off passengers. Commercial vehicles may park abreast when actually engaged in loading or unloading merchandise, provided while so parked vehicle does not unreasonably impede or interfere with traffic provided there is no space at curb available.

Traffic Signal Lights: Red light Stop, Green light Go. Amber light with green, Clear the intersection. Amber light with red. Wait, don't start or enter intersection until green appears. At Dupont Circle proceed on the green light only; clear the intersection on the amber and green; pedestrians cross on Red. Pedestrians clear the intersection on red and amber.

Making turns between intersections: No turns permitted unless complete turn can be made without reversing car.

How far should you park from street car STOP sign: Not within 20 feet of the approach side.

SCHOOL SONGS

TENAX PROPOSITI

Steadfast of purpose, march along,
With dauntless step to martial song!
Though we are young our school is old,
And battles won should make us bold
If clear our purpose be.

CHORUS

March onward! March with lifted eyes!
On yonder goal our banner flies!
Sing, sing, triumphantly,
Tenax propositi!
March onward! March with lifted eyes!
On yonder goal our banner flies!
Sing, sing, triumphantly,
Tenax propositi!

Ours not to blaze an untrod way
Through woods that hide the light of day,
For Central's vanguard long ago
Made smooth the road whereon we go,
With many a victory.

CHORUS

C. I. ORR.

HERE'S TO OLD CENTRAL

Here's to old Central, here's to her name,
Here's to her teams that have gone down to fame!
Here's to the old school, her girls and boys,
Here's to old Central, her sorrows and joys,
Old friends may part, boys, old friendships wane,
But queen of our hearts, boys, long may she reign,
Bright star to guide us throughout the years,
Here's to old Central, three rousing cheers!

Here's to old Central, shout Central's cry!
Here's to her banner, place it on high!
Stand by her colors, dark blue and white,
Here's to her courage, tho' hard the fight!
We must depart, boys, each on his way,
But Central shall stand, shall stand for aye,
Bright star to guide us throughout the years,
Here's to old Central, three rousing cheers!

S. E. SIMONS.
C. I. ORR.

SING HO FOR THE WHITE AND THE BLUE

Here's song to the school on the peak of the hill;
Sing Ho! for the White and the Blue, boys,
Which in Baseball or Track, as in Football or Drill,
Has the strength and the will and the pep and the skill.
Sing Ho! for the White and the Blue, boys,
Sing Ho! for the White and the Blue.

For the White and the Blue, boys,
Are game plumb through, boys,
And always are in to win the fight;
They go "over the top," boys,
And 'most always cop, boys,
They shine like stars in the night,
That's right.

Words and music by S. Wood.

C-E-N-T-R-A-L
C E-N-T-R-A-L
C-E-N-T-R-A-L
Is the name
We love so well.
C-E-N-T-R-A-L
C-E-N-T-R-A-L
Spells Central!

HURRAH FOR THE WHITE AND THE BLUE

Rah! Rah! Rah! Central High School.
Rah for the White and the Blue.
Hurrah! Hurrah! Hurrah! Hurrah!
Hurrah for the White and the Blue.

CENTRAL WILL SHINE

Central will shine tonight, Central will shine.
Central will shine tonight, Central will shine.
Central will shine tonight, Central will shine.
When the sun goes down and the moon comes up,
Central will shine!

OH! DIDN'T THEY RAMBLE!

Oh didn't they ramble, they ramble,
They rambled all around, in and out the town,
Oh didn't they ramble, they ramble,
They rambled till old Central cut them down.

SCHOOL YELLS

The Brecky

Brecky co-ax, co-ax, co-ax,
Brecky co-ax, co-ax!
Hiero, kiero,
Wolligo, wolligo, wolligo wax,
High School! Central!

Boom Rah!

Whistle (long, high, then descending) Boom! Rah (slow)
Central High! Rah! Rah! (quickly)
Central High! Rah! Rah!
Boom Rah! Boom Rah!
Team! Team! Team!

Locomotive

One, two, three, four, five, six, seven,
All good children go to heaven.
When they get there they will yell
C-E-N-T-R-A-L!

TO OUR GUEST

CENTRAL HIGH SCHOOL
GLAD TO HAVE YOU
ON OUR SCHEDULE

Regardless of the result of the game, let us remember we are all students, only under different colors, and strive to emulate true sportsmen throughout the battle. We are glad to have you and hope to continue our relationship.

OUR ADVERTISERS HAVE HELPED TO MAKE
THIS BOOK A SUCCESS
PATRONIZE THEM

To
WILLIAM EDMUND BURKE

this volume of **THE SPORT REVIEW** is respectfully dedicated

The accidental death of William E. Burke, '33, saw, in the passing of this youthful athlete, a figure whose name has been inscribed upon the scrolls of Central High School's vanguard of alumni immortals.

During the years 1930-34, the name of Bill Burke was uttered throughout the five high schools of the city with respect. His ability was recognized, and basketball followers were taught a new definition of the word **FIGHT!** Stamina, aggressiveness and flash marked him as the outstanding court performer to represent Central in the last decade. A veritable dynamite of the hardwoods, his figure will be noticeably missed when the coming basketball season brings together the teams with which his name was linked.

As Bill had lived and played so he died. That last lengthy fight against the inevitable—death—was a losing struggle, and he is gone. To his memory let there be a pause in the minds of those who knew him as he was—a great fighter, and a true sports lover.

By WALTER SWEENEY
The Central Bulletin Sports Editor

1915-1916—Central's first basketball season is over. There were some defeats and a few victories in a season which, although not entirely successful, has given basketball a firm hold in Central as a sport.

This year saw Central High School represented by its first basketball team. For many years followers and admirers of this sport had tried to form a recognized team, and it was finally realized.

Leonard Marbury, '16, was elected captain, and Marshall Exnicios, '17, was chosen manager. The first year of the sport at Central was successful, with Mr. Grange as the coach.

Letters were awarded to Cissel, "Ted" Dezendorf, Douglas, Gatchell, Marbury, Reed, Smith, White and Exnicios.

1916-1917—With the transfer of Central High School to its new and at present occupied building, the first team of new Central was formed. Tech High won the championship, and Central finished second. Mr. Metzler was coaching for the Clifton Street lads.

Letters were given to Captain White, Manager Finley, Daly, Gottlieb, Kaplan, Long, Potter and Solomon.

Belnap, Wilson, Long, Mr. Metzler, Newby, Solomon, Daly, Capt. Foster.

1917-1918—The Central High School quintet won its first inter-high school championship, annexing seven of the eight games played in competition with the other high schools of the city. Business and Eastern, along with Western, tied for second. Tech finished last.

The Central team was composed of Dave Wilson, all-high center; Frank Foster, all-high guard; Sam Solomon, forward; Jay Long, guard; Forest Daly, forward and captain. The reserves were Cullen, Dasher and Newby. Mr. Metzler again acted as coach for Central.

1918-1919—Business High School's court representatives took the inter-high school basketball series. Central and Tech were in a tie for second place. Eastern and Western finished in the order named.

"C" winners at Central this season were Captain Foster, Manager Conklin, Dasher, Cullen, Lemon, Mills, Montgomery, Newby, Williams and Wood. Mr. Metzler was the Central coach.

1919-1920—Tech High School was declared champion this year. It was Tech's second strong team to win the inter-high series. Some of the series' scores were comparatively close. Tech won eight, lost none; Central won six, lost two. Western split their eight games with four wins and as many losses. Business won two, lost six. Eastern failed to take a game and dropped their entire eight games in the series' play.

Central letter winners were Dey, Hillman, Lemon, forwards; Wood, center; Dick Newby, captain, and Robert Newby, guards; and Turrell, manager. Mr. Metzler continued coaching at Central.

1920-1921—Tech High School repeated its performance of last year by copping the inter-high series for the second consecutive year. Only one game was dropped by the McKinley Technical boys, and they won seven games to one lost contest. Western won six, lost two. Eastern split their series' games, evenly divided in the win and loss columns. Central came in a poor fifth, winning two and losing six. Business finished in the last position, taking but one game and dropping seven contests.

Winners of the Central "C" were Childress, Captain Lemon, Walker, forwards; Dey, McFadden, centers; Duffy, Morgan, Zalesak, guards. Five consecutive years as the Central basketball mentor was completed by Mr. Metzler. Mr. Casey acted as manager for the Central quint during this season.

1921-1922

1921-1922—A brilliant court team representing Central High School streaked through the inter-high series with a perfect score, winning eight games and losing none. Mr. Colliflower supplanted Mr. Metzler as the Central mentor. Business High took second place honors with a record of four wins and four losses; Tech was right on the heels of the Business lads with three victories and five losses. Following Tech came the Western five, who had the same record as Tech, but showed up less brilliantly than the McKinley team. Two wins and six losses gave Eastern the undisputed possession of last place.

Central courtmen awarded the "C" for participation during the series were Birthright, Dey, Phillips, Worley, forwards; Captain McFadden, center; Buckley, A. Johnson, H. Johnston and Harper, guards. Casey was the manager. Mr. Colliflower enjoyed a very successful first year as the Central coach.

1923-1923—The inter-high championship series for the first time in its history ended in a tie. Eastern and Western High Schools were deadlocked with six wins and two losses each. In an exciting play-off the forces from Eastern High defeated a powerful Western Ave to the tune of 26-25. It was a hot battle, and the two teams played on a par seldom witnessed in inter-high battles. Central dropped into a third-place position, winning four games and losing as many; Business and Tech were tied for last place honors with two wins and six losses.

Winners of the coveted "C" awards were Birthright, Childress, Hall, Harper, forwards; Captain Dey, Kreks, centers; Fellers, Howard, H. Johnston, A. Johnson, Miller, guards. Mr. Colliflower closed his coaching career at Central High School and was replaced by Mr. Bert Coggins, who came to the Clifton Street institution of learning a year later. Jones was the Blue and White manager.

1924-1925

Mr. Coggins, Moser, Hale; Dezendorf, Banta, MacDonald, Dean.

1924-1925—Central High School in its second year under the tutorage of Mr. Bert Coggins, won the inter high school championship series. The team again entered the Pennsylvania Tournament for interscholastic play and gave a repetition of their last performance in this classic of Eastern Basketball Tourney, losing their final game to Mt. St. Joseph College, 27-26. Eastern and Western were tied for second with five wins and three losses. Tech was third, with three wins and five losses. And Business was last with one win and seven losses.

The team was comprised of Hale and MacDonald, forwards; Dezendorf, center; Moser and Captain Dean, guards; and Banta, center and guard. Blakeslee was manager. All of these boys were awarded the prize "C" for participation in basketball, and gold basketballs by the graduate "C" Club.

1925-1926—Central tied Eastern for the championship. The series was played at the Arcade with Joe Fitzgerald and Joe Deering officiating. Central won seven and lost one, while Eastern ended its bid for the inter-high series with the same record. Business High was third, winning three and losing five. Tech was fourth, with two wins and six losses. Western finished last, chalking up one win and seven losses. Central took the first game from Eastern, 25-17, but Eastern came back to whip Central in the second game, 23 to 22. The third game, the play-off game, ended in a 17-all deadlock. The series involving the inter-high school championship was declared a tie.

Central's team and letter winners were Captain MacDonald, Banta, Colley, Crouch, Harris, Howard, Moser, Swift, and Smith, the manager. Coach Bert Coggins was still at the helm for the Blue and White team.

1925-1926

Mr. Coggins, Banta, Smith, Swift, MacDonald, Moser, Colley, Crouch.

1926-1927—For the third straight year Central High School had figured in either the winning or tying for the lead in the race for the much desired inter high series championship by winning the series. The games were played in the Arcade, with Mr. F. B. Schlosser and Mr. H. D. O'Meara officiating. Adding new laurels to its already abundantly filled trophy case, Central High returned home from Philadelphia with first place in the high-rating Pennsylvania Eastern Inter scholastic Basketball Tournament, defeating Millville, Doylestown, LaSalle Prep, West Catholic, and Catholic High School of Philadelphia. This was the greatest team ever developed at Central High, and was composed of Forest Burgess, Pete Nee, both all-high forwards; Bob Hurley and Sam Tash, centers; Bill Crouch and Captain Warren Swift, all-high guards. The reserve material of this outstanding five were Hurch, Hodinott, Castell, Lemon, Thacker, with the management of the team shared between Clyde Hospital and Arthur Marks. Bert Coggins was the coach, continuing his success as the greatest basketball mentor ever to coach a Central quintet.

1927-1928

1930-1931 Another joint championship between the teams of Central and Eastern was the result of this season's play in the inter-high series. The two teams ended the series with five wins and three losses each. Tech finished third, winning four and losing as many tilts. Western High came home in a dead heat with Business for the last place honors, winning three and losing five games.

Players winning the desirable "C" award for the year at Central were Captain Rice, center, Burke, Broadbent, Morgan, Mason, forwards; Bryant, center, E. DeLisio, Fox, Sidell, C. Cross, and G. Swift, guards. Robert Burke was the manager for the championship-sharing quint. Mr. Bert Coggins ended eight years as the basketball mentor for the Central five.

1927-1928—Once again Central High annexed the inter-high school series with a record of seven wins and one loss. Tech High finished second with six wins and two losses. Tech had with their team this year, Bozlie Berger, who, at Maryland University, later earned an all-American basketball berth.

Central players receiving their letters during this successful campaign were Forest Burgess, all-high and high-point scorer of the series, and Billy Woodward, forwards; Ben Burch, all-high center. The guards of the team were Duvall, Lemon, Richard Castell, and Nelson Colley, all high choice. Doing the reserve work was Kenneth Fisher. Everett Dahl was the manager. Coach Bert Coggins continued his career as the Central basketball mentor. This marked the fourth straight year in which Central had figured in a championship, either jointly or outright.

1928-1929—McKinley Tech ended the almost uninterrupted championship march of Central with a victory during this season's play, after the Blue and White's domination of the basketball series for the past four years. This year marked the first time the inter-high series was held in the newly completed Tech High gymnasium. Tech took six games and lost two. Western was second, annexing five and dropping three contests.

Letters were awarded to the following players on the Central aggregation: Broadbent, DeLisio, W. Cross, forwards; Romig and Monk, centers; DeVeau, Lampson, Newcomer, guards. Thomas Schaffert and Otis Wingo were the managers. The court coach for Central was Bert Coggins. It was the sixth straight year of his tutorage at the Clifton Street institution.

1929-1930—For the second straight year McKinley Tech High School grabbed top honors in the inter-high series by taking six of their scheduled eight games. Central, Eastern and Western were deadlocked for the second place honors, with four wins and four losses each. The team of Business High drew up in the final standing, last, winning two and losing six.

Letter winners at Central and those participating in the season's schedule were Captain Wilbur Cross, Brandt, E. DeLisio, Farhood, Korman, Lampson, and Rice. Lamond managed the quint during this season. Coach Bert Coggins was the mentor.

1930-1931

1931-1932—The Light Blue and White forces from Eastern High School, won the inter-high school campaign during this year's competition. Tech drew up in the play a close second, scoring six wins and two losses. Central was in the money and ended their season with four wins and four losses. The Business and Western fives came home in the order named, the first team winning three and losing five, while the boys from across the creek lost the entire eight games on their inter-high schedule.

Outstanding for the Central quintet were its captain, Gene Swift, guard; Bill Burke, Jack Moulton, Rex Smith, and Bert Sacks, forwards; Buddy Nau, Carl Sidell, and Nick Pistolas, guards; Clifton Keyser and Bill Bryant, centers. Other squad members this year were Don Dunlap, Harold Melnicove, Walter Sweeney and Manager Dave Miller. Coach Coggins was at the helm.

1932-1933—Central High School hit her stride again and annexed the inter-high school basketball crown by bowling over the opposition in mad fashion. They streaked through an eight-game schedule with a record of seven wins against one lost contest. Eastern High, with six wins and two losses, pulled up just behind Central. Third place went to Tech, that school winning five and losing three. The newly constructed Roosevelt High School, replacing old Business High, was fourth, with two wins and six losses. Western hung up a modern high school record by dropping its entire eight-game schedule to make sixteen games in a row lost in inter-high competition. They placed last.

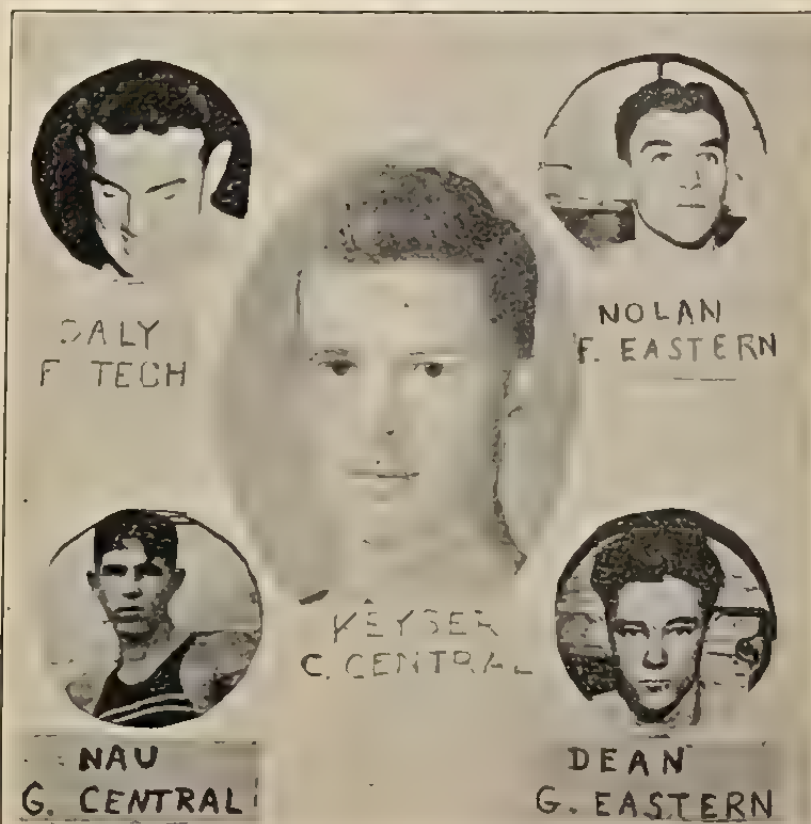

Captain Buddy Nau led the court representatives of Central during this season, holding down one of the guard positions along with Oliver Tipton. Bill Burke, Carrol Shore, and Mario Gregorio were the forwards. Bill Bryant and Jack Moulton alternated at the center position. This year's squad included the names of Don Dunlap, Melnicove, Pistolas, Smith and Sweeney. The team had one of the most interesting and impressive records in the history of the sport at Central. Coach Bert Coggins continued as the basketball head during this season. Gorewitz was manager for the Central five. The team was also victorious in the Metropolitan Tournament, conducted locally, and they won the trophy given by the Evening Star newspaper for the metropolitan champion. Gold basketball awarded by the Graduate "C" Club.

1933-1934—During this season Eastern High School presented to the basketball followers in Washington one of the most formidable clubs seen to perform locally in quite some time. The direct result was their annexation of the coveted basketball title with a record of seven victories against one loss. Tech High School was second, scoring six wins and two losses. Central came in third, winning five games and dropping three. Roosevelt finished in fourth place, recording two wins and losing six games. Western High School established, what will in all events prove to be, an all-time record of inter-high games lost in succession by bowing in all of its eight games, hanging up a new record, twenty-four consecutive losses over a period of three years.

Leading performers for the Central team were Captain Cliff Keyser and Bill Bryant, centers; Gregorio, Lefty Chumbris, Mondis, forwards; L. Nau, L. DeLisio and C. Nau, guards. The major portion of these courtsters won their "C" awards for the required number of complete quarters participated in during the inter-high series play. Coach Bert Coggins retiring after eleven years as the basketball mentor for the Central five.

1934-1935—Mr. J. J. Ray appointed as new basketball coach. The team is composed of "Will" Thompson, "Billy" Thompson, Charles Nau, "Jack" Munhall, Albert Katz, Ernest Marcellino, "Sam" Fox, "Billy" Heyster, Bernard Dennison, Isadore Fishbein and Manager "Hitler" Leonard.

J. J. RAY
Basketball Coach

THE newly appointed basketball coach at Central High School for the 1934-35 campaign is the popular Jack Ray, who came to the school from Eastern High four years ago in the capacity of baseball mentor. He is the successor to Coach Bert Coggins as the basketball head, and will be responsible for the showing of the court team this year.

FRED J. BRUNNER
Swimming Coach

MANY victories have dotted the career of Coach Fred Brunner, present swimming instructor at Central High School, who came to the school with the introduction of the sport of swimming during the years 1916-17. In contrast to the ever-changing coaching direction of other sports, Coach Brunner is the only mentor to guide the fate of Central swimming teams.

1916-1917
Central's First Swimming Team

HISTORY OF SWIMMING

By DICK SHAFER
Assistant Sports Editor,
Central High Bulletin

1916-1917—When the new building was opened in the fall of 1916, Mr. Fred Brunner was appointed coach of the swimming team. Since that time Coach Brunner has led every Blue and White tank team to represent Central.

Walter Milstead, September to February; Lewis Call, February to June, were named the first captains and Worth Shoults, manager. Although the members of this first team established no records, they displayed good form and set the foundation for the great Central teams that have emerged in recent years. Team composed of Beauchamp, Call, Hostetter, Houston, Jackson, Leech, Maitland, Milstead, R. A. Newby and Shoults.

1917-1918—With the opening of school, Coach Brunner called his future swimming stars out to practice. Benjamin Jackson was named captain and Hummel Fishburn, manager.

Although the season was brought to an unexpected finish because of the pool closing, Brunner's lads participated in a few meets. The greatest victory of the year was scored over a rival Tech High School team by a 42-26 margin.

1918-1919—All meets for the fall of 1918 were postponed because of an order from the Fuel Administrator which closed all swimming pools. Central made up for time lost when the pool was reopened in the spring.

In the classic meet of the year, the South Atlantic Interscholastic Meet, at Baltimore, Central captured first place with 27 points. Due to the large number of entries, Brunner's lads were forced to swim in the preliminary, semi-final and final heats, before scoring points. The superior condition of the Blue and White nators earned first place for them. Captain Spurr took first place in the 220-yard free style event, with Dickey finishing second. The relay team, consisting of Dickey, Buhner, Newby, and Spurr, came in first in their event. Newby scored another first place for Central by taking the diving competition.

Central also won the S. A. A. A. U. Meet before winding up their season by defeating Tech and finishing first in the Bathing Beach Champion Meet.

Captain Spurr, Buhner, Newby and Dickey were the mainstays of this great undefeated team, which started the season with but one letterman from the previous season.

1919-1920—Led by Granville Dickey, captain, the Blue and White enjoyed a very successful season. Only one meet was lost and that to a strong Mercersburg Military Academy team by a 23-18 margin.

At the Interscholastic Meet, held at Baltimore, Central won first place. During the course of the meet Central smashed four records and tied another. Dickey, Lutz and Newby were the record breakers for the Central mermen.

After defeating a strong team from Friends School, of Baltimore, Coach Brunner entered his squad in a meet comprised of former college and professional swimmers. Central surprised by finishing fourth against such formidable competition. Captain Dickey, in winning the backstroke event, broke the old record by two full seconds. Dick Newby was first in the diving event, while Little took a third place.

1920-1921 Capturing four first places and three seconds, Central won their first dual meet of the year from Friends School, 35-27, at Baltimore.

With Stolley taking the last event of the day, Central was victorious over a strong Baltimore City College team, 37-35, in the school swimming pool. This proved to be one of the most thrilling meets of the year as three of the events were by a margin of inches. Not being satisfied with the final score, Baltimore lads challenged Central to a return meet to be held in the Monumental City. In a meet fully as thrilling as the first, Baltimore City College defeated the Blue and White by the exact score by which they had lost the previous meet.

Coach Brunner's lads captured the Baltimore Athletic Club Meet for the third consecutive year, thereby assuming possession of the cup. Richard, in the breaststroke, Lyman, in the diving, and Noyes, in the 100-yard free style, scored points for Central by finishing first in their respective events.

Defeat was suffered at the hands of an exceptionally strong Navy Plebe team, but Central scored victories over every local high and prep school in winning the District of Columbia Open and Preparatory Meet.

Captain Cole, the only letterman from the previous year's team; Noyes, Stolley, Lyman and Yung Kwai were the stars of this outstanding team.

1921-1922—When Coach Brunner's lads reported for practice in the fall of 1921, only three seniors were represented on the team.

During the course of the season dual meets were won over the Augusta Military Academy, Friends School, of Baltimore, and their ancient rivals, Baltimore City College.

At the South Atlantic Interscholastic Championship Meet, in Baltimore, the swimmers wearing the Blue and White of Central were victorious for the third consecutive year. Central thereby came in permanent possession of the trophy awarded to the school winning the meet three straight years. Captain Richard, in the breaststroke, and Lyman in the diving competition, scored points for Central.

Captain Richard, Stolley, Noyes and Lyman were letter winners on this undefeated team.

1922-1923—In preparation for the big meets to come the Brunner-coached lads faced a team composed of former Central tank stars in their first meet of the year. The "old boys" proved to be a little too strong for the high school lads, and conquered them after a hard-fought battle.

In their first dual meet of the year the Blue and White easily defeated Western by a 63-7 count. Central took first places in every event, besides taking every second place in the meet. The meet with the Navy Plebes found Central on the short end of a 32-11 score. Satterfield in the 100-yard breaststroke, and Walmsmith in the 50-yard backstroke, scored the only first places for an outclassed team of fighting youngsters.

For the fifth consecutive year the natators of Central captured the South Atlantic swimming championship at Baltimore. Four first places were garnered by the Blue and White. Captain Stolley and the flashy Satterfield set new records against the strongest competition in this area.

Albert Lyman, D'Arcy Bonnet, Meyer Gann, Edward Noyes, John Parsons, William Satterfield, William Walmsmith and Captain Robert Stolley were those to be awarded letters.

1923-1924—After defeating Devitt 42-24, in their initial meet of the season, Central impressed everyone by finishing in tenth place in the classy Rutgers Meet, held in New Jersey. Nearly every school from New York and New Jersey was entered. Rae Edmonston was second in the breaststroke race, while D'Arcy Bonnet captured third place in his event, the 100-yard backstroke.

At the Swarthmore Meet, held at the college bearing that name, the Blue and White captured third place. Bonnet, Edmonston, and Gann were the point winners for Central. Coach Brunner's proteges were only two points out of first place. The annual "C" Club Meet proved to be easy for this fast swimming team. Scoring 64 points to their nearest rivals' 29 points made the meet a virtual landslide for Central.

After taking third place in the District-Maryland Meet, held in Baltimore, Central concluded her season with a 60-17 victory over Western High School of this city.

Captain Bonnet, Peter, Edmonston, Alexander, Taylor, Gann, Wile, McNeil, Raine, Wyvel, Leavitt and Manager Walmsmith were rewarded with major letters.

1924-1925—Due to repairs being made on the swimming pool, the regular amount of meets was not scheduled for the season.

In their first meet of the year, Central went down to defeat at the hands of a strong Baltimore Poly team, by a 44-27 count. The Blue and White, with Paine, Sanford, Edmonston and Mitchell taking first places, put up a stern battle. The Atlantic City team administered the worst defeat ever suffered a Central team when they defeated them 49-13, at Atlantic City, New Jersey. Edmonston, in the 100-yard breaststroke race, captured the only first place for the Blue and White.

With Mitchell scoring the only first place, Central took third place in the South Atlantic Meet, held at Baltimore. Sanford and Edmonston set new records in the A. A. U. Meet, in Washington, in the latter part of the season. Taylor was captain of the team this year.

1925-1926—Central's swimmers finished their season with a record of four wins and as many defeats in their eight dual meets.

Baltimore City College, Devitt, Forest Park and Loyola were victims of the Blue and White. Baltimore Poly, Navy Plebes and the Baltimore Athletic Club turned the tables on Central.

Many important meets saw the Brunner-coached lads show a rare skill in the tank. Captain Sanford attained the greatest prominence of any swimmer in this part of the country by copping diving honors in the Yale and South Atlantic Meets. He also scored points in the Penn and Columbia Meets. Raines, Sanford, Bates, Lawrence and Leverton were stars of the team.

1926-1927—Due to some unknown reason the school records for 1926-1927 only list Central as participating in three dual meets. Two victories and

one defeat was the record of the Blue and White for the season.

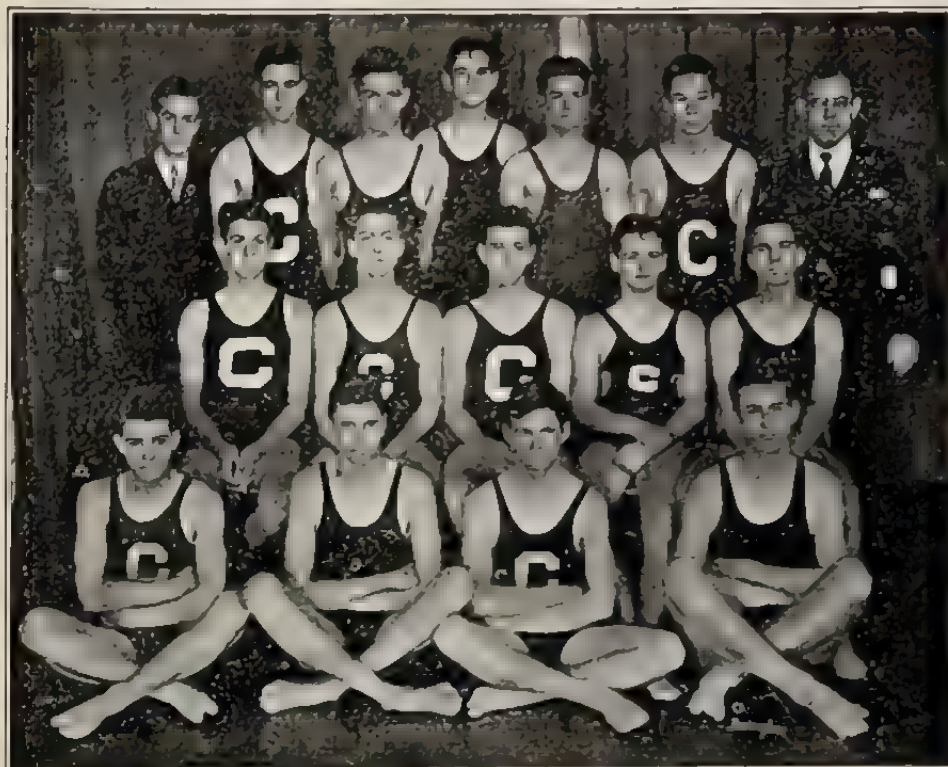

In the meet with the Navy Plebes, which the future Midshipmen won by a 59-10 score, Captain Cliff Sanford scored all the points for Central. Six firsts, two seconds, and two thirds gave Central 38 points against Calvert Hall. First place was captured in every event but the backstroke.

At the conclusion of the season, Sanford was chosen the greatest interscholastic diver in the United States. "Cliff" held the All-American Interscholastic Diving Championship.

Bates, Sanford, Snell and Bonnet were letter winners.

1927-1928—Although they started the season with but one letterman, the Central natators finished a great season without the loss of a dual meet to a high school team.

Victories were scored over Calvert Hall twice, Baltimore Poly, Loyola and Friends. Defeats were suffered at the hands of Tome, Navy Plebes, Washington All-stars and the Catholic University Freshmen in close meets.

1931-1932

Meet with Calvert Hall

At the South Atlantic Championship Meet the Blue and White finished second to Tome Preparatory School. Lyman took first place in the diving competition. The A. A. U. Meet was won by Central with a total of 60 points. Hickey, Varella, Mayhew and the medley team scored first places. "Cliff" Sanford upset Joe Lyman in a thrilling diving exhibition. "Cliff" represented the Washington Swimming Club.

Two defeats were administered the Woodward School during the course of the year. Varella was captain of this great Blue and White tank team.

1930-1931—Out of ten dual meets the Blue and White scored five wins. Baltimore Poly, Friends School, Loyola, which was defeated twice, and the combined forces of C. U. and G. W. U. were defeated by Coach Brunner's lads.

After taking third place in the South Atlantics, held at Baltimore, the Blue and White emerged victorious over the college and swimming club teams of the District of Columbia in the A. A. U. Meet.

The Virginia and Yale Frosh were victorious over Central in closely contested meets.

Captain Burns, Carter and Lyman were outstanding during the season. Bates, Diener, Bonnett, Roadley and Hodgson also proved of great value throughout the campaign.

1931-1932—Central's Blue and White natators surpassed all expectations in capturing the South Atlantic A. A. U. Championships and placing second in the D. C. A. A. U. competitions. Twelve wins out of fourteen meets constitutes this glorious season's record.

After winning ten straight dual meets Central suffered her first defeat by one point, to the Augusta Military Academy. Baltimore City College, Friends, Woodward, Baltimore Poly, Massanutten and the Y. M. C. A. were conquered by Brunner's lads.

Knight and Maurer scored wins to bring Central the S. A. Championship.

1933-1934

The Blue and White closed their season by capturing fourth place in the South Atlantic Championship, held at Baltimore. Joe Lyman, Bob Varella, Jimmy Bates and Billy King scored points for Central.

Bates, King, and Varella were the leading point scorers for Central throughout the year.

1928-1929—This year saw the Brunner-coached lads enjoy one of their greatest seasons. The Blue and White scored five victories, lost one dual meet and tied in the other.

Victories were garnered over the Y. M. C. A., Baltimore City College, Tome and Baltimore Poly. Baltimore City College defeated the Blue and White by a 32.30 count in a return engagement.

Joe Lyman, stocky diving star, was the outstanding performer of the year. He was undefeated in dual meets and is South Atlantic, Rutgers and National Intercholastic Champion. Captain Billy King was another outstanding performer. He won first place in the South Atlantics and showed strongly in every meet.

Central was the first team to defeat Tome Institute in over six years, Tome being South Atlantic Champions for that span of years.

1929-1930—Winning eleven of fourteen meets, Central enjoyed a very successful season. The season was opened with a victory over Baltimore City College.

The medley relay team, composed of Lombardi, Maurer and Wood, also took first place.

Manager Rhodes, McDonald, Wood, Slater, Hickey, Taylor, Meatyard Bates, Bonnet, Knight, Lombardi, Hodgson, Maurer, Colton and Rose received letters.

1932-1933—With a third place in the D. C. A. A. U. Meet, held at the Shoreham Hotel, Central brought to a close one of her greatest seasons. Eight of ten dual meets were captured.

Massanutten Military Academy, Baltimore City College, Baltimore Poly, Friends and Tome were victims of the Brunner-coached lads.

The Centralites climaxed their season when they carried off the South Atlantic Trophy. Central won by the margin of a single point over Tome.

Snyder, Slater, McDonald, Wood, Graves, and Taylor proved to be the principal point scorers for the Blue and White throughout the year.

1933-1934 With three victories and four defeats, Central closed her season by finishing second in the High School South Atlantic Meet.

Baltimore City College has the distinction of scoring two wins over the Blue and White this season. Calvert Hall and Baltimore Poly were submerged by Coach Brunner's lads.

In the South Atlantic A. A. U. Meet, held at Baltimore, Central tied for second place honors.

Note to All Alumni Athletes

The Editor of this book would appreciate all Central Athletes, whether '80, '90 or what year, to send in their name, address and years received letter and any of your classmates that you know of. This information would be carried in the next issue and would give us a catalogue file and a chance to bring all the oldtimers together at an athletic get-together.

Address to Bert Coggins, Athletic Office, Central High School

SCHOOL SONGS

TENAX PROPOSITI

Steadfast of purpose, march along,
With dauntless step to martial song!
Though we are young our school is old,
And battles won should make us bold
If clear our purpose be.

CHORUS

March onward! March with lifted eyes!
On yonder goal our banner flies!
Sing, sing, triumphantly,
Tenax propositi!
March onward! March with lifted eyes!
On yonder goal our banner flies!
Sing, sing, triumphantly,
Tenax propositi!

Ours not to blaze an untrod way
Through woods that hide the light of day,
For Central's vanguard long ago
Made smooth the road whereon we go,
With many a victory.

CHORUS

C. I. ORR.

HERE'S TO OLD CENTRAL

Here's to old Central, here's to her name,
Here's to her teams that have gone down to fame!
Here's to the old school, her girls and boys,
Here's to old Central, her sorrows and joys,
Old friends may part, boys, old friendships wane,
But queen of our hearts, boys, long may she reign,
Bright star to guide us throughout the years,
Here's to old Central, three rousing cheers!

Here's to old Central, shout Central's cry!
Here's to her banner, place it on high!
Stand by her colors, dark blue and white,
Here's to her courage, tho' hard the fight!
We must depart, boys, each on his way,
But Central shall stand, shall stand for aye,
Bright star to guide us throughout the years,
Here's to old Central, three rousing cheers!

S. E. SIMONS.
C. I. ORR.

SING HO FOR THE WHITE AND THE BLUE

Here's song to the school on the peak of the hill;
Sing Ho! for the White and the Blue, boys,
Which in Baseball or Track, as in Football or Drill,
Has the strength and the will and the pep and the skill.
Sing Ho! for the White and the Blue, boys,
Sing Ho! for the White and the Blue.

For the White and the Blue, boys,
Are game plumb through, boys,
And always are in to win the fight;
They go "over the top," boys,
And 'most always cop, boys,
They shine like stars in the night,
That's right.

Words and music by S. Wood.

C-E-N-T-R-A-L

C-E-N-T-R-A-L
C-E-N-T-R-A-L
C-E-N-T-R-A-L
Is the name
We love so well.
C-E-N-T-R-A-L
C-E-N-T-R-A-L
Spells Central!

HURRAH FOR THE WHITE AND THE BLUE

Rah! Rah! Rah! Central High School.
Rah for the White and the Blue.
Hurrah! Hurrah! Hurrah! Hurrah!
Hurrah for the White and the Blue.

CENTRAL WILL SHINE

Central will shine tonight, Central will shine.
Central will shine tonight, Central will shine.
Central will shine tonight, Central will shine.
When the sun goes down and the moon comes up,
Central will shine!

OH! DIDN'T THEY RAMBLE!

Oh didn't they ramble, they ramble,
They rambled all around, in and out the town,
Oh didn't they ramble, they ramble,
They rambled till old Central cut them down.

SCHOOL YELLS

The Brecky

Brecky co-ax, co-ax, co-ax,
Brecky co-ax, co-ax!
Hierro, kiero,
Wolligo, wolligo, wolligo wax,
High School! Central!

Boom Rah!

Whistle (long, high, then descending) Boom! Rah (slow)
Central High! Rah! Rah! (quickly)
Central High! Rah! Rah!
Boom Rah! Boom Rah!
Team! Team! Team!

Locomotive

One, two, three, four, five, six, seven,
All good children go to heaven.
When they get there they will yell
C-E-N-T-R-A-L!
